From the Principal:

“Term 4 - Enjoying the Moments”

“Enjoy the little things, for one day you may look back and realise they were the big things. (Robert Brault)”

Sacred Heart Catholic Primary School belongs to a network of Tasmanian Catholic Schools. By working together our system is able to develop, achieve and maintain a number of positive initiatives. Approximately 5 years ago Northern Catholic Primary Schools began a system initiative whereby we advertised teaching positions as a collective. The feedback we have received from applicants and our own experiences suggests the new format has been extremely successful.

This year the process has been delayed by a few weeks. The outcomes for our school, and all Northern Catholic Primary Schools, is that we will be unable to advise applicants and in turn our school communities of classroom teachers in the same time frame as we have in the past few years. Whilst this is not ideal, it is a circumstance that all of our Catholic Primary schools are faced with in 2018.

We will advise parents as soon as we are able to and provide additional information for parents to consider. Parents are asked NOT to provide any classroom requests until we have provided details. Thanks for your understanding.

Term 4 always brings with it a multitude of occasions and celebrations. Each one of these, without wishing our year away, comes on us very quickly. They include Athletics Carnivals, Carols Evening, End of Year excursions, Orientation Days, Grade 6 Celebrations and Final Assemblies. I'm almost exhausted thinking about them.

Each one of these is an event in itself, each one requires careful planning and preparation, each one of these is important and each one of these will take place (unless a natural disaster occurs). We participate and celebrate in these occasions for a reason. Together they make up the fabric of our school. These events, in what they are, are unique to our school.

Holiday periods for me are opportunities to reflect on many things. They bring time for me to read, time to think and time to consider what lies ahead.

P.T.O

“Term 4 - Enjoying the Moments” (continued)

Before we become swept up in the emotions of the events of our school stop and consider what is really important? What really matters in our lives is to live life to the fullest, to enjoy every moment. Challenge your children and yourself this term to enjoy every occasion, enjoy every time you see your child accomplish something or equally be challenged by a situation, because that's how we learn, we learn through experience. And then remember how lucky each and every one of us is because we were indeed born in a lucky country, a country that is able to share occasions such as those documented above.

With these thoughts in mind we can then all truly accept that there will be times in the term ahead when things don't go as they should or as we would want. Accept that life is like that. We often share with our children that they control their attitude. If we approach a circumstance with an attitude that it "is someone else's fault" then we will blame others for the situation or alternatively we can accept a positive "can do" attitude to every situation then difficult situations become a challenge that we can overcome.

Enjoy this term, because we are truly blessed to be a part of Sacred Heart Catholic Primary School.

“Gratitude turns what we have into enough, and more. It turns denial into acceptance, chaos into order, confusion into clarity...it makes sense of our past, brings peace for today, and creates a vision for tomorrow. (Melody Beattie)

Oral Language

This year at Sacred Heart our teaching and learning focus has been on developing students' oral language skills. Oral language encompasses two components. Expressive language (speaking) is the use of words and non-verbal processes to share meaning with others. Receptive language (listening) is the process of understanding what has been expressed.

Oral language is the student's first, most important and frequently used medium of communication. It is the foundation for the development of literacy skills which is considered to be a strong indicator of future reading, writing and overall academic achievement. Oral language skills become progressively sophisticated throughout the primary years and permeate into every area of our primary school curriculum.

"READING AND
WRITING FLOAT ON A
SEA OF TALK."

JAMES BRITTON

"THE LIMITS OF YOUR
LANGUAGE ARE THE
LIMITS OF YOUR
WORLD."

LUDWIG WITTGENSTEIN

Our staff have been involved in professional learning as well as working through inquiry cycles in order to reflect upon our practice and identify how best we can support the development of our student's oral language by providing opportunities for high quality talk.

In order to provide students with further oral language experiences we will be providing weekly questions in the newsletter as stimulus for discussions to have with your children at home.

Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email shsl@catholic.tas.edu.au
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Reminder - Before School expectations

Even though it is a parent responsibility to make arrangements for the supervision of your children before 8:30 a.m., S.H.S. offer an arrangement for families who need their children to be arriving at school earlier.

- ❖ Mrs. Deb Scott will be at school from **8:00am** each school day for any students.
- ❖ **Students are not to arrive before 8am**
- ❖ If a student is here before 8:30 a.m. they need to go to the Gym. **The cost will be \$2 per child per day, which needs to be paid as the student arrives at the Presentation Gym.**
- ❖ The child's name will also be recorded on an attendance sheet on a daily basis.

Reminder that dogs are not permitted on the school grounds without prior permission from the Principal

TOILET ACCESS AFTER HOURS

Student toilets are locked daily at approximately 3:15pm-3:30pm. There is a toilet located in the administration building, which is opened until 4:00pm daily.
