## From the Principal:

### *Co Teacher to Team Teacher*

Since 2015 we have been very fortunate at Sacred Heart to have a co-teacher program. The intention of the co-teacher program was to improve learning outcomes for all students by extending children working above grade level and class teachers working closely with the other students to move their learning forward. Whilst our intention of enabling all students to reach their potential remains the same, this year our model has changed. We have been pleased to be able to offer extra days for ALL classes (Prep - Grade 6) which increases student teacher ratio and opens up a variety of possibilities for all three teachers to work with a range of students from across the grade level with varying academic levels and needs. The team teacher and the classroom teachers take a collective responsibility for all students in the grade level and spend time planning, assessing and discussing approaches in order to provide all students with the very best education that they deserve. We have decided that this program is more suitably entitled Team Teacher as it encompasses our focus on collaboration and working as a professional team.

### Purple Day

Earlier this year Lily Smith (5TH) approached me requesting a day to draw awareness for those with Epilepsy. We agreed to facilitate a 'Purple Day'. Prior to the day Lily made and sold hundreds of cakes of soap and advertised the day amongst our community. Lily, along with Grade 5 and some of the Mini-Vinnies group prepared many items to sell to support the Epilepsy Association. Moments like these remind me why teaching is so rewarding, seeing children with an exceptional attitude and a willingness to promote a cause. Thanks Lily.

### Gala Day

Tomorrow Grades 5 and 6 will be participating in the first Gala Day for 2019. On this day our school, along with all Launceston Catholic schools and some independent schools participate in summer sports. The sports and activities on offer include.....

Touch Football

Girls Cricket

Boys Cricket

Speed Ball

Tabloid Sports (Includes Skipping, Dance, Yoga)

## Schoolwide Positive Behaviour Support (SWPBS)

*“ Everything in your life is a reflection of a choice you have made. If you want a different result, make a different choice.” (Anonymous)*

Schoolwide Positive Behaviour Support (SWPBS) is a whole-school approach to creating a positive, safe and supportive school climate in which all students, including students with additional needs, can learn and develop. At a SWPBS teachers, staff and family members work together to teach and support behaviour expectations at school. SWPBS is implemented to improve the behaviour of all students in all school settings. Every part of an SWPBS school, including the classrooms, school gates and buses, are considered integral parts of the total learning environment. SWPBS schools create and teachers deliver instruction in a set of behaviour expectations and positively acknowledge students for those behaviours. All school personnel are responsible for knowing the behaviour expectations and providing consistent positive feedback to students.

SWPBS is not a program; it is an evidence based problem solving framework or process comprised of research validated support practices and organisational systems for establishing the social culture, learning and teaching environment, and individual behaviour supports needed to achieve positive academic and social outcomes for all students.

In 2013 our school initiated the SWPBS approach at Sacred Heart. SWPBS is entrenched in all Tasmanian Catholic Schools. We are proud of the progress that we are making at Sacred Heart.

We must continue to support our children to understand :

**Respect for Ourselves**  
**Respect for Others**  
**Respect for our Learning**

Equally as adults we must continue to recognize the positive choices children make and when a child makes a “poor choice” they will learn by teaching the appropriate “right choice”.

*“You and only you are responsible for your life choices and decisions.” (Robert Kiyosaki)*

### “York St and Margaret St Pick up”

Parents and Grandparents are reminded that our school has significant challenges with parking and pickup after school. If you need to speak with a member of staff please park in the designated areas. If you are in a pick up zone after school please remain in your car and teachers will arrange for your child to be sent to your car.

Parents who arrive after 3.15pm will find pickup a far easier process.

## Emergency Practice

Within the next 8 weeks we will hold an unannounced emergency practice with staff & students, to test our response to a potential scenario that staff identify a threat warranting the school go into lockdown (opposite to evacuation).

Like for fire evacuation drills, we recognised the worth to test this process.

We have plans in place to make this practice as least disruptive as able.

Note for the practice we will have some police officers and other visitors attending to observe.

If you have queries you are welcome to call our Safety Officer Simon Natoli on 0400 105 476

## ANZAC Day March 2019

## Project Compassion

### Give Lent 100%

Eldest students were given a Project Compassion box to take home this week. These boxes are to collect money for Project Compassion. Project Compassion is run by Caritas Australia: The Catholic Agency for International aid and development. Through your generosity during Project Compassion this year you are empowering communities with hope and helping those in great need to shape a better future for themselves,

their families and their communities.

We will be helping people like Michaela (Australia) who is a 21 year old trainee at Purple House, a dialysis centre in the Central Desert for people suffering from kidney disease. With our support Michaela is helping to build a social enterprise, a connection to culture and a new outlook for the chronically ill.

We ask that all Project Compassion boxes be returned no later than next term.

Thank you for your support.

## Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email [shsl@catholic.tas.edu.au](mailto:shsl@catholic.tas.edu.au)
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

## Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

## WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

### How to apply for a WWVP and Number

1. Complete the online application form [www.justice.tas.gov.au/working\\_with\\_children](http://www.justice.tas.gov.au/working_with_children)
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

**Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.**

## Fire Alarm

A reminder that if in the instance a fire alarm is sounded whilst parents are on the school site, you are required to assemble on the oval. Students remain with teachers as part of the process is for the staff to ensure all students are accounted for. If parked on York when the fire engine arrives it is vital that you vacate the area to allow the fire engine access.

## Seasons for Growth Grief Program

Learning to live with change and loss

Our school has over recent years offered Rainbows as a program to support children dealing with Grief and Loss in their lives. For the last two years we have been working with CatholicCare and are able to offer a similar program called Seasons for Growth, where young people may benefit from learning how to manage these changes effectively. This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.

We are pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who attend.

The Seasons for Growth Program runs for eight weeks and each weekly session is 40 – 50 minutes. The program concludes with a ‘Celebration’ session. Later in the year each group will have the opportunity to meet for two further session to build on their learning.

**We are offering sessions for all age groups and the different levels will be offered throughout the year beginning soon.**

If interested for your child, please contact me so I can pass on the CatholicCare forms to you for you to complete or pick up from office. Once received, I forward these forms directly to the CatholicCare facilitator Chloe Bayly.

If you require any further information please do not hesitate to contact me.

Kind regards, Helen Halley
