

SHS BRHXHIBITION A BIG HIT

On the 21st of March the brixhibition started it was a big hit this year with about 65 entries in the competition. This is the first time this event has been done at Sacred Heart. The event was held at the top of the gym. Every child in each class voted for the one that they like best and that's how the winner was chosen. There were some fantastic builds in the competition. Great job to Hannah Zegveld, who was winner.

Well Done to everyone else who participated.

AUSTRALIAN STEM VIDEO GAME CHALLENGE

The Stem Video Game Challenge is on again!

The STEM Games Challenge is a great opportunity to test out your coding skills! In the competition you must create a playable game, made in either Scratch, Gamestar Mechanic, Gamemaker, Stencyl, and many more! It is open to anyone grade 5 and up. You can also work in a team with your friends to make a great game. The winners get to go to Sydney for PAX Australia! There is one catch though, the game must be educational!

HAVE FUN PROGRAMMING!

Sacred Heart Leaders

EVERY YEAR, four children from grade six are selected to have a major role as the School Captain of Sacred Heart School. The biggest part of being the School Captain is that you have to organise and run the whole school assemblies on Friday mornings. Which usually commence at around 9:15 or whenever all the classes arrive. The most important job that the school captains have to do all the time is lead by example. It is at the end of the year in grade five when you are given the opportunity to write a letter of application to apply for the position as a leader of the school. The teachers read the letter and put everyone who applied for the jobs name on a piece of paper. Both classes voted for who they wanted. After that the six girls and boys with the most amount of votes were put on another piece of paper and the class votes again. The two girls and the two boys with the most amount of votes we announced the new School Captains of Sacred Heart School for 2016. We also have House Captains. We have House captains because within our school community we have four Houses Rice, Mackillop, Young and Nagle. Everyone in grade six votes for a boy and a girl to be their house leader. Being a House Captain means you have to lead your house at all the school carnivals and always lead by example. If you are thinking of being any school leader definitely have a go because it is definitely worth it.

This year our School Captains are Sophie Illingworth, William Cowley, William Symons and Kalani Ciantar.

Our House Captains are Isabella Johnston and Hamish Mackenzie for Mackillop. Ava Dowde and Parker Shea for Young. Elizabeth Hannah and William Fox for Nagle and Mia Baldock and Mitchell Nicholas for Rice.

These are our School Captains for 2016.

THE S P E C T A C U L A R c a r w a s h

Come along to Sacred Hearts Mini Vinnies Fundraiser. This year we are doing a carwash! The Mini Vinnies Team is putting it together and you should definitely come along. It will be really cheap! It will be in school hours so when you come to school, let us wash your car so you don't have to, we will raise money for a good cause and it will be our pleasure to wash your car as well as possible. Please help us to raise enough money for our cause. You don't have to worry, we will clean it spotless and you will have a shiny car in no time. Remember, this is for a great cause and we need you to be a part of it. This year, the Mini Vinnies Team is a great big group and all of us are going to work together to make the carwash a success.

Term 1 2016

ON Monday the 15th of February, our school had our first carnival for the year, which was our Grade 3 – 6 swimming carnival. It was held at the Riverside Pool, everyone did their best. It was a fun experience and everyone cheered each other on. The day was cold and the sun hardly came out, all the houses did their cheers. What an excellent day.

At the end of the day, Rice claimed the throne, with Mackillop second, Nagle third and Young fourth.

Rice was about 12 – 8 points in front of Mackillop. Even though it wasn't the best day for swimming, we still got out and did our best.

The teachers and staff helped out a lot and also the parents that came and cheered their children on. Everyone had a go and everyone had fun, which was the main part of the day.

S.H.S History

The Presentation Sisters arrived in Tasmania in 1866. In 1873, they came to Launceston to set up a school. Our school, Sacred Heart School, started up on the 7th of February in 1873 and is still going to this day. The Presentation House is sadly not a part of our school any more but in the past was the Nuns house and also held a few classrooms. The house is now used by the parish.

A large weatherboard building was added in 1878. This contained four rooms with separating folding walls. In 1889, a large single roomed building was built further uphill and later became the infant block. Later in 1985 both buildings were demolished. In 1967, a large block containing science laboratories and more classrooms was opened. This building was renovated for the early childhood and Primary classrooms in 1985.

Our school has changed so much over the years. Like in 2012 when the new gym was built (photo top left) and in 2013 the prep to two building was renovated.

Loose Parts Play Area

Loose parts is a play area behind the grade 6 building. Everyone from prep to grade 6 is welcome to play. Loose parts is filled with loads of fun things to do. There are pool noodles, pipes, tires, crates to build awesome forts, a sandpit to make sculptures and sand castles and a trailer to play in. Everyone in loose parts are welcoming and very happy to let you join in with their game. Loose Parts is open everyday so you can come and play there everyday. You should come and join the fun.

What does it mean to go to a Catholic School?

To me going to a catholic school is very important. Not just to learn about God and Jesus, but also to learn how to be a good person. You may not realise it, but in religion you learn how to respect others, how to be good and caring, and lots more helpful skills that will get you far in life.

Did you know that no matter how many mistakes you make, God will always love you? It's true. No one is perfect and we all make mistakes. If you are playing a game and you get out what should you do? Walk away and never play again, or would you have another try and keep on trying until you get it correct? I have learn't all of this by going to a catholic school.

To find out what other people think the meaning is to go to a catholic school I asked some teachers and this is what they said...

Mr Davie

"Going to a catholic school means having a relationship with Jesus. To live out the gospel values in our words and in our actions. A catholic school helps to develop the child to their full potential, spiritually, mentally, academically and emotionally."

Mrs Viney

"To be a part of a catholic school means to be part of a catholic community, a group that lives out the gospel values by loving one another as God loves us."

Mr Crawford

"The most important thing that I try to pursue everyday when I come to work is to teach children in a loving and caring environment."

What does going to a catholic school mean to you?

Afternoon tea with the principal is a fun and rewarding prize for those who live up to the expectations of the monthly topic. Some of the topics we have had previously are:

Be a Go Kart not a Billy Kart
Wear your Uniform with Pride
Teamwork makes the Dream Work

Positive attitude

GTS Greet ,Treat and Speak

Givers not Takers

Claimers not Blamers

Right time Right place

The afternoon tea with the principal monthly dates are

February 25/2 - March 24/3 - May 26/5 - June 30/6 - August 25/8 -

September 22/9 - October 27/10 - November 24/11. The rewards in previous afternoon tea with the principal have been a lollipop and two small chocolates, two one dollar canteen vouchers, cupcakes , fruit, slices and savoury goods. In every class two children get picked by their teacher if they have followed the standard of the monthly topic. They then receive a reward in Mr jones office inside the big office near the gym.

Launceston Saints Basketball Club

At Sacred Heart each and every one loves to play sport. One of our favorite club sports is basketball, at Sacred Heart you can only start basketball for Saints at the age of 9 in grade 3.

Saints is an amazing opportunity to have good health and keep fit. Every week on a weekday you will see several of the Launceston Saints Basketball Club playing at all the basketball venues in Launceston. In the Saints Basketball Club we are not just about winning but we are about having fun and improving all the time. If you are interested in joining take time to come out to one of our games and see how much the children love to play for Saints.

Term 1 2016

ON Monday, 15th February, Sacred Heart School had their swimming carnival. All grades from 3-6 participated in this event. The first events started from 9:15 – 2:30.

The events that were held at the carnival were freestyle, backstroke, breaststroke, 66m freestyle and relays.

This event was held at Riverside Pool that thankfully had staff that were happy to have us.

There was a lot cheering from all houses, Mackillop, Young, Rice and Nagle as well as all the parents and teachers.

At the end of the day, Rice came 1st, Mackillop came 2nd, Nagle came 3rd and Young came 4th.

The carnival was a whole lot of fun, it may not of have been the warmest, sunniest day to be swimming but we still had lots of fun!
