“Don’t wait until you’ve reached your goal to be proud of yourself. Be proud of every step you take toward reaching the goal.” (Anonymous)

Next week teachers will meet with parents and children to establish goals for the first half of 2019. One of the keys to setting goals is that it needs to be achievable. We also know from our own experiences that we won’t always achieve goals that we set. This is part of learning, reflecting on what and how we do things. How we respond to these circumstances is critical. Our children are always looking for cues from us. As parents we need to act reasonably and not show great waves of emotion when children fail attempting things. What we want for our children is for them to try again.

How many times have we been disappointed that we didn’t do something perfectly? Are you young enough to remember High School and maybe even University exams? I’m sure the majority of us never received “full marks” for an exam paper.

Equally teachers establish their own goals. These goals are framed to enhance their own teaching pedagogy. In turn this supports students making progress in their own learning. Teachers gather to share progress, successes and failures in attaining their goals, with their colleagues. We often make suggestions about how they can achieve their goals. One of the benefits of this is to support teachers in a shared experience.

In the upcoming Lenten period (commencing with Ash Wednesday 6th March) we will be challenged to reflect on our own lives. Just as we will set goals with children next week we will challenge the children of Sacred Heart to consider how they can make a difference to the lives of others. Each child will make Lenten promises. These will vary from child to child but ultimately we will encourage children to take up the challenge to be “almsgivers”. We often remind the children of Sacred Heart how lucky they are that they live in a safe, free and affluent country, it is therefore our responsibility as global citizens to do our best to improve the lives of others.

As educators and parents we too have a responsibility to encourage and support our children to make positive choices that inspire humble acts of service. When we model these actions our children will become adults that are capable of creating a society that respects everyone regardless of race, religion, creed or individual differences.

“Goal Setting”

All of us celebrated with our children when they took their first step, or garbled their first word, or successfully used the toilet for the first time we should also celebrate when our children achieve learning goals that they have established. When we look at our children notice how many things they are working on, from improving interactions with others, to practicing reading, to catching a ball, to mastering a musical note, your child is always striving to improve. Remember too that we should be encouraging goals that make a difference to the lives of others. Celebrate the small wins for these in turn become big victories.

Setting goals is the first step to turning the invisible to visible.” (Tony Robbins)

“Absences”

It is important your child attends school all the time, however if they are absent you need to notify us either by email or call 6331 1011. If your child is late they must sign in at the Office. By law your child must attend school on time every day, if your child is absent more than 10 days per term you will be notified by a letter at the end of the term. If we have concerns about extended absences or consistent lateness we will be following this up.

“Thanks”

A very big thanks to Rebecca Millwood and Kelly Cox for their fantastic efforts in the Uniform Shop. Our school is fortunate to have a Uniform Shop on site that is so beautifully maintained. Many of the Catholic Primary Schools no longer are able to offer this service. We all know the convenience and low cost of items at our Uniform Shop makes this an asset for Sacred Heart.

Rebecca and Kelly spend many unpaid hours working to provide an exceptional service for our families.

“Parking”

As an inner city school we are challenged by parking opportunities in and around our school.

One area that parents are **NOT** able to park in is the Church of the Apostles car park.

Our best advice to parents and grandparents is to arrive at school after 3.10pm when there is far less congestion.

Garden and Produce Stall

This is one of our popular stalls and a great place to grab something special for the garden or delicious homemade produce.

If you've been busy jam, sauce or relish making and have some spare to donate that would be much appreciated. Garden cuttings, plants and succulents are always popular too.

Wellbeing Support

At Sacred Heart School we offer different types of Wellbeing support for the students and families. My role at SHS is one of support - for your child to know that I am someone they can chat to and be supported by in working towards their own wellbeing goals. Sessions are held in my office, in a confidential environment on a regular or semi-regular basis depending on the needs and goals of your child.

I feel very fortunate to have SHS designate two days a week for me to offer this in my capacity as an experienced teacher as well as my recent studies in Counselling, play and sand play therapy, creative therapies, Peaceful Kids, Mindfulness, Tuning In, supporting anxious children, grief and loss, trauma and My Tern training.

If this is something you want for your child, I am very happy to meet with you if you wish to touch base with me about your child or your current situation - just email me to make an appointment. Alternatively, we can communicate via phone by calling the school or you can email me at helen.halley@catholic.tas.edu.au

Kind regards, Helen Halley

WHERE: CATHOLICARE LAUNCESTON, 201 YORK STREET

This is a free course and to register please call 03 6332 0600 or email catholiccare.launceston@ahtas.org.au

Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email shsl@catholic.tas.edu.au
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Reminder - Before School expectations

Even though it is a parent responsibility to make arrangements for the supervision of your children before 8:30 a.m., S.H.S. offer an arrangement for families who need their children to be arriving at school earlier.

- ❖ Mrs. Deb Scott will be at school from **8:00am** each school day for any students.
- ❖ **Students are not to arrive before 8am**
- ❖ If a student is here before 8:30 a.m. they need to go to the Gym. **The cost will be \$2 per child per day, which needs to be paid as the student arrives at the Presentation Gym.**
- ❖ The child's name will also be recorded on an attendance sheet on a daily basis.

Reminder that dogs are not permitted on the school grounds without prior permission from the Principal

TOILET ACCESS AFTER HOURS

Student toilets are locked daily at approximately 3:15pm-3:30pm. There is a toilet located in the administration building, which is opened until 4:00pm daily.
