## TURNING OUR WORDS INTO ACTIONS

*"We make a living by what we get but we make a life by what we give." (Winston Churchill)*

I was walking past a school last week that had a number of values emblazoned on a long list of steps that led to their front entrance. There must have been at least 30 steps that led to the front entrance of the school. The words included compassion, forgiveness, love, respect, hospitality, honesty and integrity. The words sent a clear message to all those that climbed those steps. For me it said, as I climb these steps and enter this school, I should expect to follow and implement these words and turn them into deeds.

As I continued my walk I wondered what words would we emblazon on any steps that would lead to our front entrance? Do we hold ourselves to account for these words? What evidences are there of us at SHS have made these words into deeds?

This weekend was the Feast of Christ the King. The Gospel Reading Matthew 25: 31-46 speaks of how we treat strangers. Jesus tells us that the only effective and lasting power in the world is that of unselfish love. This message can be difficult for because we find it hard to believe that quiet, gentle and persistent love, which seeks only the good of others, can possibly be more powerful than money, possessions and weapons which we rely on for security. The message is revolutionary and challenging for another reason. Caring for the least of our brothers and sisters is not always a primary value. One only needs to listen to our radios or watch our TV to know and notice this. Whose praise is sung and who is congratulated the most? Not the poor, not those who are hungry, or sick or in prison; but those who are in positions of power and privilege. Thank God, Scripture and the social teachings of our church promote a different message. In them we are reminded that a basic moral test of any society is how it treats its most vulnerable members.

When I listened and reflected on our school I wondered what living examples of deeds could we proclaim as a celebration of unselfish love? Two immediately spring to mind. Our school should be proud that we have a SHS Care Team that was established in 2016 to support the needy in our school community. The team responds to need expecting nothing in return. Secondly our response to needy families of Launceston by filling hampers at Christmas time is a small act of service that will mean much to the families that we provide for.

As we move into the season of Advent this coming weekend take a moment to consider what simple acts of service can each one of us bring about that will improve the lives of others.

*"The best way to find yourself is to lose yourself in the service of others." (Mahatma Gandhi)*

## BASKETBALL TOURNAMENT

This weekend our school will be represented at the Tasmanian Primary School Basketball Championships in Launceston. Our school is represented in the Grade 3/4 Boys and Girls and Grade 5/6 Boys and Girls. Our school is the only school in Tasmania to be represented in all four competitions. We should celebrate that our school has already performed exceptionally well in reaching the state championships, regardless of the results. Happy dribbling to all of our teams.

## CAROLS

On Wednesday 6th December we will gather for our "Carols Evening". The night will be held at St Thomas More's in Newstead again this year because of the works on the oval. ### WORKING WITH VULNERABLE PEOPLE REGISTRATION

Government legislation now requires all people working or volunteering with vulnerable people to be registered. It is an expectation placed on our schools that any person who is on an excursion, helping in the classroom, helping out with students getting changed after swimming, attending camps etc must have this registration. **If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event.** This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

#### How to apply for a WWVP and Number

1. Complete the online application form [www.justice.tas.gov.au/working\\_with\\_children](http://www.justice.tas.gov.au/working_with_children)
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

**Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.**
