## From the Principal:

### OUR CULTURE

*“No culture can live if it attempts to be exclusive.” (Mahatma Ghandi)*

- We provide a warm and welcoming culture.
- We treat individuals with unconditional respect and fairness.
- We love one another and ourselves.
- We are nurturing, kind, caring, empathetic, encouraging, helpful, open and compassionate.

(Sacred Heart Pillar statements on Culture)

Communities need people for them to function effectively. Communities need people to make positive contributions to enable them to flourish and grow. Our community is no different to any other. In the past week there have been two community events that have been an excellent example of the “culture at SHS”.

Last Friday night at the “Welcome BBQ” many families gathered with the purpose of celebrating the new school year, meeting friends (new and old) and supporting a SHS community event. On Monday Grades 3-6 participated in the SHS Swimming Carnival. Our carnival has always relied on a significant number of parents, and staff, to contribute their time and expertise as officials. Again on Monday many parents volunteered to enable the children of SHS to experience a memorable day of competition, house spirit and positive attitudes.

Both of these community events were fantastic examples of what matters most at Sacred Heart. Older children assisting younger children, parents cooking and serving at the bbq, parents cleaning and packing up afterwards, children and parents encouraging children at the carnival, teams cheering every swimmer from first to last and parents willingly “putting up” their hand to assist.

The Lenten season challenges us to do these very things, to reflect the qualities of Jesus. None of these actions cost us anything, in the material sense, but each one of the actions reflects well on our school. They build community, teach our children “what matters most at SHS” and they enable others to benefit. We are reminded of one of the challenges during Lent, to be an almsgiver, someone who does things for others.

One of the reason our school has an excellent reputation is because of the people who make up the SHS community. In 2018 there will be other opportunities where our community can choose to support these events by willingly “putting up their hand” to help out. Our school fair is less than a month away and as always we will need volunteers to assist.

Consider this week how will I be an almsgiver at SHS to grow the culture of our school.

*“We want a culture that is inclusive of everyone and where everyone who joins feels they have opportunities to succeed and grow.” (Nellie Borrero)*

<http://MyTerncity.com.au>**GOAL SETTING MEETINGS**

Thanks to the many parents who gathered earlier this week to share and discuss goals with teachers. Our teaching staff take opportunities like these seriously, they build our knowledge and understanding of your child(ren) and they provide us with information that will assist your child's learning.

If you were unable to make the sessions please make contact with teachers to arrange an alternative time.

**BOARD NOMINATIONS**

Sacred Heart Catholic School Board assist the Principal in providing the best possible strategic direction in Catholic Education. We especially ensure our facilities are well looked after, WHS matters are monitored and plan for the future. If you are interested in adding your skills to our Board collect a Expression of Interest form from the office. Two of our Board members have completed their term of office to create these vacancies. Please speak to Brent if you require any additional information.

**BOOK SALES 2018 - FEEDBACK**

In 2018, after many years using Birchalls as our suppliers of "Back to School" stationery, we changed suppliers to Petrachs. A small number of parents and staff have provided me with feedback, both positive and challenging. If you have any thoughts or comments please email [brent.wilson@catholic.tas.edu](mailto:brent.wilson@catholic.tas.edu) by Friday 9th March and I'll discuss these with Petrachs.

**UPCOMING STATE ELECTIONS**

Included with the next few newsletters will be information regarding education matters for the upcoming state elections. We trust this will assist parents in making an informed decision when they vote.

#### NO PARKING IN THE CHURCH CAR PARK

As an inner city school we are challenged by parking opportunities in and around our school. One area that parents are NOT able to park in is the Church of the Apostles car park. Our best advice to parents and grandparents is to arrive at school after 3.10pm when there is far less congestion.

### Students Climbing Trees

Dear Parents/Guardians,

At present this is only for students up to & including Grade 1. We DON'T yet have suitable trees for older students.

We formally support younger children extending their development via those who wish to, being able to climb selected **Kinder play area** trees, when staff or your adult supervision is offered.

We advise: Trees with our PAINT markings indicate that this is an approved tree, and those markings show the maximum height for a child's feet. e.g. The rest of their body can be higher.

Know we have a process to inspect tree condition; reapply paint; and remind of expectations.

If your child wishes to participate, please discuss with them the below. Feedback is welcome to the Principal.

- Limit the number of kids climbing a tree together to 3 at any time;
- Students in trees are to 'climb down', not jump out; and
- To assist kids get into trees, DON'T put items underneath (to stand on). If needing help, kids have another give a 'hand grasp' boost.

## WORKING WITH VULNERABLE PEOPLE REGISTRATION

Government legislation now requires all people working or volunteering with vulnerable people to be registered. It is an expectation placed on our schools that any person who is on an excursion, helping in the classroom, helping out with students getting changed after swimming, attending camps etc must have this registration.

**If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event.** This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

### How to apply for a WWVP and Number

1. Complete the online application form [www.justice.tas.gov.au/working\\_with\\_children](http://www.justice.tas.gov.au/working_with_children)
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

**Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.**

## Reminder - Before School expectations

Even though it is a parent responsibility to make arrangements for the supervision of your children before 8:30 a.m., S.H.S. offer an arrangement for families who need their children to be arriving at school earlier.

- ❖ Mrs. Deb Scott will be at school from **8:00am** each school day for any students.
- ❖ **Students are not to arrive before 8am**
- ❖ If a student is here before 8:30 a.m. they need to go to the Gym. **The cost will be \$2 per child per day, which needs to be paid as the student arrives at the Presentation Gym.**
- ❖ The child's name will also be recorded on an attendance sheet on a daily basis.

## Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email [shsl@catholic.tas.edu.au](mailto:shsl@catholic.tas.edu.au)
- use the Skoolbag app, fill out an eForm

Please note that children arriving late to school need to enter the school via the York St entrance and report to the school office to update our records and avoid unnecessary absentee text messages.

**Reminder that dogs are not permitted on the school grounds without prior permission from the Principal**

## **TOILET ACCESS AFTER HOURS**

Student toilets are locked daily at approximately 3:15pm-3:30pm. There is a toilet located in the administration building, which is opened until 4:00pm daily.

## CATHOLIC EDUCATION in TASMANIA

### CURRENT ISSUES:

February 2018

Catholic schools reflect and celebrate the diversity of contemporary Tasmania and Australia. They make a substantial contribution to society and to the Catholic Church in Australia, particularly in Tasmania.

Our mission is to be more than providers of high-quality education that advances the common good of society. We have a fundamental belief in the intrinsic value of each student based on a distinctive educational vision inspired by the example and message of Jesus Christ.

Through our Catholic identity and mission, and through the commitment of our staff, our educational programs demonstrate the integration between learning and living the Christian life. Our schools and colleges teach that a life lived in the love of God and in the Christian service of others has purpose and meaning.

#### Key facts about Catholic schools in Tasmania

- More than 16,000 students (K-12) attend 38 Catholic schools and colleges across Tasmania.
- With 2,300 teaching and support staff in those schools, Catholic education is a significant Tasmanian employer.
- Tasmanian Catholic schools receive significant government funding, which covers 81 per cent of the cost of schooling, on average. Fees and private income cover the rest.
- On average, Tasmanian Catholic schools are funded at 92.5% of that of government schools\*.
- Catholic schools are welcoming and inclusive communities, with the number of students with disability, and Aboriginal and Torres Strait Islander students increasing significantly in the last five years.
- Tasmanian Catholic schools have relatively equal numbers of Catholic and non-Catholic students.

#### Key issues for all Tasmanian Catholic schools

##### 1. **Respect for religious freedom in Catholic schools.**

Catholic schools, respecting the rights and freedoms of families to choose schooling for their children in the Catholic tradition, should continue to be free to form and instruct students in the Catholic faith and celebrate the faith as an integral and inseparable activity of the Catholic school.

##### 2. **Government funding that keeps pace with school costs.**

At the very least any increase in school funding at the rate of the Consumer Price Index (CPI) from 2018 could see funding increases fail to keep pace with school costs. That could lead to even larger fee increases, affect school quality or lead to school closures.
