## “Feeling Pride”

*“ Don’t wait until you’ve achieved your goal to be proud of yourself. Be proud of every step you take toward reaching that goal.” (Author unknown)*

Grit and inner motivation are building blocks to success, yet we sometimes struggle with how to instil these qualities in children. The arrogance of feeling superior to others was once considered to be one of the seven deadly sins. But researchers have focused on a healthier, more productive type of pride. Authentic pride — the deep personal satisfaction of hitting a valued goal — can encourage the kind of self-discipline and hard work it takes to stay motivated, overcome challenges and achieve.

A study last year by German researchers found students who reported feeling positive emotions such as pride and enjoyment in their work had significantly better achievement over time than students who had the same level of ability but fewer positive emotions.

On the other hand, feeling a lack of pride in our work can motivate us to worker harder, too. One study found that students who did poorly told researchers that they planned to study more in the future and then went on to perform better on the next exam.

Pride acts as a barometer of achievement. Pride makes you value long-term goals more than present ones and builds self-control and grit from the bottom up.

Parents play a critical role in building their child’s sense of pride. Our brains don’t come hard-wired to know what to take pride in, such as grades or sports, so children initially look to parents and then to teachers and peers to find out what’s valued by those around them and therefore what goals are worthwhile to pursue.

When young people are engaged in areas where they feel confident and proud, it creates a ripple effect, giving them the motivation and encouragement to take on new challenges in other areas of their lives.

P.T.O

## Feeling Proud...continued

To teach children how to use pride as a motivational tool, point it out: Did you notice how you felt when you performed well in your test, built that model plane or sang that song? If they're feeling a lack of pride over a test score or performance, talk through the actions they can take to avoid feeling that way in the future. To stay intrinsically motivated, children must feel as if they're improving toward a goal, so point out the pride they should feel in the small successes along the way.

When we withhold genuine praise or downplay pride, we deprive children of a powerful source of motivation that can help them persevere in the face of challenges today – and throughout their lives.

Welcome back to Term 3. We look forward to working together in partnership to providing the very best Catholic Education for the children of Sacred Heart.

As a lead into the second half of 2018, and after reflecting on the Mid Year Report, take a moment to reflect on the first half of 2018...

- Why are you proud of your child?
- What are your children proud of?
- What is it about Sacred Heart that you and your children take pride in?

*"Generosity is giving more than you can, and pride is taking less than you need." (Khalil Gibran)*

## **WORKING WITH VULNERABLE PEOPLE REGISTRATION**

Government legislation now requires all people working or volunteering with vulnerable people to be registered. It is an expectation placed on our schools that any person who is on an excursion, helping in the classroom, helping out with students getting changed after swimming, attending camps etc must have this registration. **If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event.** This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

### How to apply for a WWVP and Number

1. Complete the online application form [www.justice.tas.gov.au/working\\_with\\_children](http://www.justice.tas.gov.au/working_with_children)
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

**Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.**

## **Reminder - Before School expectations**

Even though it is a parent responsibility to make arrangements for the supervision of your children before 8:30 a.m., S.H.S. offer an arrangement for families who need their children to be arriving at school earlier.

- ❖ Mrs. Deb Scott will be at school from **8:00am** each school day for any students.
- ❖ **Students are not to arrive before 8am**
- ❖ If a student is here before 8:30 a.m. they need to go to the Gym. **The cost will be \$2 per child per day, which needs to be paid as the student arrives at the Presentation Gym.**
- ❖ The child's name will also be recorded on an attendance sheet on a daily basis.

**Reminder that dogs are not permitted on the school grounds without prior permission from the Principal**

## **TOILET ACCESS AFTER HOURS**

Student toilets are locked daily at approximately 3:15pm-3:30pm. There is a toilet located in the administration building, which is opened until 4:00pm daily.
