“The future does have a name...

and its name is hope” - Pope Francis

The theme for Project Compassion 2019 is based around hope and giving Lent 100% in the name of hope. Hope is one of the three pillars of Christian virtue. The other two being faith and charity. It is a powerful force for good and often helps to transform lives. Hope helps us to face life's challenges and sustains us as we work alongside the most marginalised and vulnerable communities to achieve better lives. Pope Francis has said that: “Jesus has given us a light that shines in the darkness; defend it, protect it. This unique light is the greatest richness entrusted to your life.” This light, is the light of hope. Based on God's love for all, hope enables us to rise above our fears and helps those in great need to shape a better future for their communities. For Project Compassion 2019, we focus on six stories which show the power of hope and the work of Caritas Australia in communities in Zimbabwe, Indonesia, Solomon Islands, Australia, Bangladesh and Vietnam.

WEEK 1 Thandolwayo's story Our readings today take us on a significant wilderness experience. Like the people of Israel we sometimes find that we are wandering in a world that turns away from the most marginalised and vulnerable to injustice. The gospel story helps us to see that we share our humanity with Jesus. All human beings, from time to time find themselves struggling to cling on to hope. Jesus is no exception. This story is familiar to all of us- it is read on the first Sunday of Lent each year. What never changes is the sense of Jesus' rising above the struggle and speaking truth to power.

Our story this week of Thandolwayo and her community in Zimbabwe, depicts a community which has been rejected a number of times and was in danger of losing hope. Twelve-year-old Thandolwayo would walk seven kilometres each day, threatened by crocodiles, to collect contaminated water for her family. It looked like she would never realise her hope of finishing her education and becoming a nurse, until a Caritas Australia supported project created access to clean water helped Thandolwayo to stay at school and achieve a future full of hope.

Our response to the psalm today 'be with me lord when I am in trouble', reminds us that God is our refuge, God walks alongside us strengthening us as our life journey unfolds. In this context, Caritas and its partners are showing something of the life-giving compassion of God as they accompany Thandolwayo and her community. Lives change when we all give 100%. Through their unfailing hope this community prevails in its efforts to overcome rejection and adversity and the people are empowered to be the architects of their own future.

We share in this story. Supporting Project Compassion is a way we can proclaim the faith that is in our hearts and on our lips, as St. Paul reminds us in the second reading today. This enlivens our faith and enables us to accompany our brothers and sisters in their efforts to thrive. We might ask ourselves, how can we encourage one another in faith and hope this Lent?

Sacred Heart Fair

Tomorrow night promises to be a memorable evening. Our Fair Committee have worked tirelessly to prepare for the night. Earlier this week we reminded families that the P and F contributed \$90,000 towards our 'soon to be opened' play equipment. This significant contribution will enable all the children both present and future to enjoy many hours of fun. The contribution was enabled by countless hours of fundraising from a number of fairs. The current P and F have pledged an additional \$75,000 over the next 5 years for future playground developments.

On Friday night we will need all families to contribute a small amount of time assisting with the Fair to ensure all families can enjoy the evening. Thanks in anticipation of a great night.

NIJSSA Swimming Carnival 2019

Last Thursday 36 students represented Sacred Heart at the annual NIJSSA Swimming Carnival. All of our swimmers did an amazing job and helped the team finish in second place overall. A special mention to the Grade 3 boys who finished 1st in all of the individual races and 1st for the team relay. A big thank you to Lynelle Freeman, Susie Cramp and Alex Clear who volunteered on the day. Congratulations to the following students for winning division one races:

Phoenix Howard - Gr 3 boys 33m breaststroke

Seb Hardinge - Gr 3 boys 33m backstroke

Seb Hardinge - Gr 3 boys 33m freestyle

Max Matthews - Gr 5 boys 33m freestyle

Jack Cramp - Gr 6 boys 33m backstroke

Seb Hardinge, Tim Innes, Phoenix Howard & Solomon Boyle - Gr 3 boys 4 x 33m freestyle

Max Matthews, Mitchell Campbell, Cooper van Emmerik & Oisin McCormack - Gr 5 boys 4 x 33m freestyle

Jack Cramp, Tyler Alexander, Mason Clark & Henri Bergamin - Gr 6 boys 4 x 33m freestyle

“York St and Margaret St Pick up”

Parents and Grandparents are reminded that our school has significant challenges with parking and pickup after school. If you need to speak with a member of staff please park in the designated areas. If you are in a pick up zone after school please remain in your car and teachers will arrange for your child to be sent to your car.

Emergency Practice

Within the next 8 weeks we will hold an unannounced emergency practice with staff & students, to test our response to a potential scenario that staff identify a threat warranting the school go into lockdown (opposite to evacuation).

Like for fire evacuation drills, we recognised the worth to test this process.

We have plans in place to make this practice as least disruptive as able.

Note for the practice we will have some police officers and other visitors attending to observe.

If you have queries you are welcome to call our Safety Officer Simon Natoli on 0400 105 476

ANZAC Day March 2019 Thursday 25th April (last Thursday of the school holidays)

Project Compassion

Give Lent 100%

Eldest students were given a Project Compassion box to take home this week. These boxes are to collect money for Project Compassion. Project Compassion is run by Caritas Australia: The Catholic Agency for International aid and development. Through your generosity during Project Compassion this year you are empowering communities with hope and helping those in great need to shape a better future for themselves,

their families and their communities.

We will be helping people like Michaela (Australia) who is a 21 year old trainee at Purple House, a dialysis centre in the Central Desert for people suffering from kidney disease. With our support Michaela is helping to build a social enterprise, a connection to culture and a new outlook for the chronically ill.

We ask that all Project Compassion boxes be returned no later than next term.

Thank you for your support.

Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email shsl@catholic.tas.edu.au
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the

Reminder - Before School expectations

Even though it is a parent responsibility to make arrangements for the supervision of your children before 8:30 a.m., S.H.S. offer an arrangement for families who need their children to be arriving at school earlier.

- ◆ Mrs. Deb Scott will be at school from **8:00am** each school day for any students.
- ◆ **Students are not to arrive before 8am**
- ◆ If a student is here before 8:30 a.m. they need to go to the Gym. **The cost will be \$2 per child per day, which needs to be paid as the student arrives at the Presentation Gym.**
- ◆ The child's name will also be recorded on an attendance sheet on a daily basis.

Fire Alarm

A reminder that if in the instance a fire alarm is sounded whilst parents are on the school site, you are required to assemble on the oval. Students remain with teachers as part of the process is for the staff to ensure all students are accounted for. If parked on York when the fire engine arrives it is vital that you vacate the area to allow the fire engine access.

Did you know we had a past student from Sacred Heart called Josh Foley who won the Glover prize in 2011?

The Glover Prize is Australia's most prestigious landscape art prize. Last week Grade 5 were lucky enough to go to Evandale to see the exhibition for 2019. We saw landscape paintings of different places in Tasmania. In art we have been looking at landscape paintings that world famous artists have made. All of the paintings included the artist's name and the reason why they painted it. It changed the perspective and the way we see the artists. We see how much they have worked on the paintings and not all of the paintings appealed to people, everyone likes different things. On behalf of Grade 5 we would like to thank Mrs Heathorn for organising the excursion.

Seasons for Growth Grief Program

Learning to live with change and loss

Our school has over recent years offered Rainbows as a program to support children dealing with Grief and Loss in their lives. For the last two years we have been working with CatholicCare and are able to offer a similar program called Seasons for Growth, where young people may benefit from learning how to manage these changes effectively. This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.

We are pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who attend.

The Seasons for Growth Program runs for eight weeks and each weekly session is 40 – 50 minutes. The program concludes with a ‘Celebration’ session. Later in the year each group will have the opportunity to meet for two further session to build on their learning.

We are offering sessions for all age groups and the different levels will be offered throughout the year beginning soon.

If interested for your child, please contact me so I can pass on the CatholicCare forms to you for you to complete or pick up from office. Once received, I forward these forms directly to the CatholicCare facilitator Chloe Bayly.

If you require any further information please do not hesitate to contact me.

Kind regards, Helen Halley
