## Kinder Enrolments

for 2020

Due by May 31st

## From the Principal:

### *Before School Care*

The School has recently undertaken an audit of the provision of current informal arrangements of supervision before school at Sacred Heart. The School Board and Director: North, Matt Jones have been part of these conversations as well. It has become clear that the current provision for supervision cannot continue in its current format and appropriate changes will need to be made.

The decision is based on on a variety of reasons including: mandated duty of care requirements for supervision, increasing numbers of students accessing this informal arrangement finding a more permanent strategy to support families than is currently in place; which was always intended to be short term. At the heart of our decision has and will always be what is safe for the children of Sacred Heart.

All other Launceston Catholic Primary School utilise Catholic Care for Before School Care.

Commencing Monday April 29th, first Day of Term 2, Catholic Care will be responsible for provision of Before School Care at Sacred Heart. Unless students arriving before 8:30am are under direct supervision by a parent or guardian they will need to access the Before School Care through Catholic Care.

Parents who wish to use this service will be required to contact Catholic Care on 1300 119 455 or access [myfamilylounge.com](http://myfamilylounge.com) App.

The service will be available from 7am - 8.30am. This means that children not using Catholic Care for Before School Care must not arrive at school until 8.30am. Unless they are there and supervised by a parent or guardian.

We understand this decision will be inconvenient for some families and have not taken this decision lightly. We are required to act in the best interests of the children of Sacred Heart and the requirements of appropriate supervision the school must adhere to.

## Sacred Heart Fair

Wow.....

What a memorable evening. Thanks to all of our community for an exceptional evening.

Before, during and after the evening there were hundreds of parents and staff working towards supporting the children of SHS. Thanks to the large number of families who assisted on stalls, setting up and cleaning up.

A very big thanks to the hard working Fair Committee Cate Pel, Louise Madden, Rebecca Millwood, Sarah McHenry, Kim Barrett and Phil Illingworth.

Our final profit was approximately \$14,300.

If you are in a pick up zone after school please remain in your car and teachers will arrange for your child to be sent to your car.

## Emergency Practice

Within the next 8 weeks we will hold an unannounced emergency practice with staff & students, to test our response to a potential scenario that staff identify a threat warranting the school go into lockdown (opposite to evacuation).

Like for fire evacuation drills, we recognised the worth to test this process.

We have plans in place to make this practice as least disruptive as able.

Note for the practice we will have some police officers and other visitors attending to observe.

If you have queries you are welcome to call our Safety Officer Simon Natoli on 0400 105 476

## Project Compassion

### Give Lent 100%

Eldest students were given a Project Compassion box to take home this week. These boxes are to collect money for Project Compassion. Project Compassion is run by Caritas Australia: The Catholic Agency for International aid and development. Through your generosity during Project Compassion this year you are empowering communities with hope and helping those in great need to shape a better future for themselves,

their families and their communities.

We will be helping people like Michaela (Australia) who is a 21 year old trainee at Purple House, a dialysis centre in the Central Desert for people suffering from kidney disease. With our support Michaela is helping to build a social enterprise, a connection to culture and a new outlook for the chronically ill.

We ask that all Project Compassion boxes be returned no later than next term.

Thank you for your support.

## Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email [shsl@catholic.tas.edu.au](mailto:shsl@catholic.tas.edu.au)
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

## Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

## WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

### How to apply for a WWVP and Number

1. Complete the online application form [www.justice.tas.gov.au/working\\_with\\_children](http://www.justice.tas.gov.au/working_with_children)
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

**Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.**

## Fire Alarm

A reminder that if in the instance a fire alarm is sounded whilst parents are on the school site, you are required to assemble on the oval. Students remain with teachers as part of the process is for the staff to ensure all students are accounted for. If parked on York when the fire engine arrives it is vital that you vacate the area to allow the fire engine access.

## Seasons for Growth Grief Program

Learning to live with change and loss

Our school has over recent years offered Rainbows as a program to support children dealing with Grief and Loss in their lives. For the last two years we have been working with CatholicCare and are able to offer a similar program called Seasons for Growth, where young people may benefit from learning how to manage these changes effectively. This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.

We are pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who attend.

The Seasons for Growth Program runs for eight weeks and each weekly session is 40 – 50 minutes. The program concludes with a ‘Celebration’ session. Later in the year each group will have the opportunity to meet for two further session to build on their learning.

**We are offering sessions for all age groups and the different levels will be offered throughout the year beginning soon.**

If interested for your child, please contact me so I can pass on the CatholicCare forms to you for you to complete or pick up from office. Once received, I forward these forms directly to the CatholicCare facilitator Chloe Bayly.

If you require any further information please do not hesitate to contact me.

Kind regards, Helen Halley
