## From the Principal:

### *'Savouring' at Sacred Heart*

*"Be thankful for what you have; you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough."* (Oprah Winfrey)

Catholic Schools regularly spend time in prayer. It is one way we express our love of Jesus. As Christians prayer is an opportunity to talk with God. Prayer enables us to reflect on our lives and the lives of others. Last week at our Team Leader meeting Sarah shared a prayer that was centred on 'Savouring'.

'Savouring is noticing and appreciating the positive aspects of life - the positive counterpart to coping. It involves mindfulness and conscious attention to the experience of life's pleasures. What is needed to savour an experience in a positive way is to engage fully and to be conscious and mindful of every detail you can take in and to appreciate it fully - to filter out the world around us and become in awe of being in the world.'

I looked across from my desk and noticed more than 410 reports that needed reading. I wondered what could I possibly savour this coming weekend? Moments later a child knocked on the door. In walked a student that had been grappling with their attitude to learning. He had the biggest, broadest grin on his face. He had come to share a piece of writing with us. At that moment I knew we needed to listen to each word he read, each expression he gave, each moment he was with us because he deserved our attention more than anything. We savoured his excitement as he reached the climax in his story. One of the great joys of being Principal of Sacred Heart is being a part of each child's learning journey.

Later that day I received a phone call, with report reading still to follow, still pondering how the rest of the weekend would unfold. A member of the public had heard about our choir and their performance on Friday. The lady shared how impressive our children had been in their performance at Peace Haven Homes. She recounted, 'my Mum lives at Peace Haven and the children brought great joy to her, it made her week'. I savoured her story, knowing the children of Sacred Heart had made other people happier from what they had done.

The reports wouldn't go away though... they needed to be read...it was time to stop procrastinating...

**Here's what I discovered by reading your child's report...**

Each and every word that has been crafted by the teachers of Sacred Heart reassured me about the educators in our school. They know the children 'inside out', they are able to explain where your children are in their learning, they understand your children, and when they don't, they work hard seeking to discover more. Finally and just as importantly, they establish learning goals for future growth. There is no doubt I savoured every word written about the children of Sacred Heart in June 2019.

**Take a moment to consider this week...**

What could you do today to make it one to savour? I wonder what could you do to make the day one to savour for someone else?

*"All we have is now, this moment and it is my intention to make the best of it, to savour it, to drink it in, and to enjoy it."* (Nianell)

*"Life is a gift and it offers us the privilege, opportunity and responsibility to give something back by becoming more."* (Tony Robbins)

**Road Safety**

Last week we shared at the assembly about a few road safety concerns on Margaret Street.

Please remember we have traffic lights for two reasons. One is to enable pedestrians to cross safely. We have noticed a small number of parents, with their children, crossing the road, only 50 metres away from the traffic lights, outside our Margaret Street turning circle.

We strongly encourage every member of our community to take 5 extra minutes to walk to the lights and cross safely.

**Parent Student Teacher Nights**

Parents will receive a notice tomorrow afternoon, Friday 21st June, inviting you to attend our Mid Year Parent/Student/Teacher conversations. These will be held in the last week of term on Wednesday 3rd and Thursday 4th July. To assist us in providing appointment times parents are asked to return forms to school by this coming Monday 24th June.

**Parents Council**

Following is the link to the most recent copy of the Australian Parents Council Newsletter

<https://austparents.schoolzineplus.com/news?nid=4>

The Tasmania Catholic School Parents Council is a member of both the Australian Parents Council and Catholic School Parents Australia, both of the key national peak parent bodies in the non- government schools sector.

These two peak bodies provide different and unique services to parents of children in Tasmanian Catholic Schools.

## NIJSSA Cross Country

Congratulations to our Cross Country team for their exceptional efforts at Windsor Park at the NIJSSA carnival. Under cold and wet conditions our school performed extremely well.

Thanks to the parents who acted as officials, our parents and friends who supported and encouraged the children with their performances and our staff for your untiring efforts and commitment to our school spirit. Our school placed first for the seventh successive year. A very big thanks to supercoach John Anderson for your amazing efforts.

More detailed results will be published next week.

## English Poem about Love By Lillian Neighbour.

This is a sonnet made with love  
Love pursues your dreams  
It includes a million doves  
Like a flowing stream

Follow the light of the world  
It is the light  
Inside your heart is curled  
That shines bright

Love is an open door  
When things go wrong  
That heals a sore  
You can write a song

Love is life  
It takes away strife

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

**It is a legal requirement that parents are expected to advise the school as to why their child is absent.**

## Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.
