## Our P.B.S. Values are:

Respect for Ourselves

Respect for Others

Respect for our Learning

<http://MyTerncity.com.au>

## From the Principal:

### *“The importance of play...”*

*‘The creation of something new is not accomplished by the intellect but by the play instinct...’ (Carl Jung)*

Earlier this month our school spent time in Book Week enjoying ‘Pens Down Day’. Our prime goal was to specifically focus on developing and focussing on oral language. Many of our classes were drawn to organising learning opportunities that focussed on play. This is not unusual for our children as teachers know that play is critical to the development of every child. Indeed we as adults know that it is important to balance our lives with opportunities to play. Who will ever forget the famous saying, ‘All work and no play makes Jack a dull boy.’

In the United Nations Convention on the Rights of a Child, it states that ‘play’ is the right of all children. This reinforces the value placed on ‘play’ both here in Australia and internationally.

You will often hear educators use the terms ‘play-based learning’ or discussing the importance of play in early childhood.

In developing our new ‘playspaces’ at Sacred Heart the Playground Team’s aim is to support the children’s natural curiosity, eagerness to learn and their love of communication with others. Our learning environment is designed to provoke curiosity and constantly challenge children’s thinking.

Here are our top 5 reasons why play is important in the early years:

- Developing secure attachments: Through play children begin to foster secure attachments to their peers, families and educators. Strong relationships are the key to children feeling safe, secure and supported, which impacts their learning, happiness and self-esteem. Parents are a child’s first teacher and much of that teaching happens through play.
- The effect of play on brain development: Play has intellectual and cognitive benefits for the brain and it is believed that play can in fact shape the structural development of the brain.
- Development of learning skills: Through play children develop important learning and life skills such as exploring, identifying, negotiating, risk-taking and imagining.
- Speech and language development through play: During play children are watching, listening, exploring and imitating. Even when your child is playing silently, they are learning important information and exposed to new vocabulary that they will carry with them and use later.
- The ability to regulate their behaviour: As children play they are learning skills such as how to concentrate on a task, how to take turns and how to share. In turn these will aid them in regulating their behaviour and emotions.

Play leads to enhanced school adjustment and, most importantly, a love of learning. When children play and learn new things they discover that learning can be fun and go on to view learning as something enjoyable, rather than a chore.

In these upcoming holidays take the time to play with your children, even if it is only half an hour longer that you have in the past. Not only will your children benefit from the experience but you too can expect to enjoy the time relaxing, learning more about your children, yourself and improving your own quality of life.

*'Time spent playing with children is never wasted.'* (Dawn Lantero)

### **Brent on Leave**

Last week parents were advised I will be on leave for the next three weeks, Monday 16th September to Friday 4th October. Adele Murphy will be Acting Principal in my absence.

### **Uniform Survey**

#### [Uniform Survey](#)

Thanks to the parents and staff who have completed the Uniform Survey. To date we have received approximately 110 responses. To enable as many of our community to respond we have decided to keep the survey open to Thursday 26th September.

If you haven't completed the survey the link is included.

### **Grade 3-6 Athletics Carnival**

Monday was an outstanding example of community spirit at Sacred Heart. I stopped for a moment on Monday afternoon to absorb what was going on at St Leonard's. I noted the following

- Children from Grades 3-6 encouraging one another
- Children from SHS challenging themselves to perform at their best, on and off the track.
- Children from SHS reflecting the understanding that 'to perform is to win'
- Parents assisting at the carnival as officials
- Parents encouraging children from the grandstand
- Ex students and SPC students assisting our students as officials
- Staff encouraging, working as officials and leading children in events

Thanks to every member of our community for a highly successful carnival. Thanks especially to John Anderson for another super efficient and memorable carnival

### **Band and Strings Soirees**

On Monday evening our school engaged in another memorable community event. Almost 40 children performed with aplomb. We should never underestimate the opportunity that is provided for the children of SHS. Music is one way children can enable their light to shine. Thanks to parents and staff for your support of the evening. It lends well to listening to the end of year concert.

### **Playground Invite**

Our new playspace will be officially blessed and opened on Friday 18th October at 9.30am. Parents and friends are welcome to join us for this event. More details in the coming weeks.

## LAUNCESTON ANGLING CLUB

On the weekend of the 6th - 8th September, Fletcher Crosswell and his Dad participated in a Launceston Angling Club competition at Lake Leake. They are both members of the club and were in the competition to see who could catch the heaviest fish.

Fletcher caught two rainbow trout and won the heaviest trout in the junior section. Here are some photos.

# SOCCER COMP

The Northern Tasmanian Junior Soccer Association under 10s representative team that participated at this weekend's Hobart Cup included three students from Sacred Heart (Ben, Daniel and Jasper). Although the tournament does not keep a ladder for their age group, the team played extremely well and won all four of their matches, in challenging conditions (rain and mud). I would like to mention that a number of Sacred Heart students also participated in the tournament, representing Launceston City under 10s (from memory, they were Tahj Jones, Amelie Millar and Harry Page).

## Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email [shsl@catholic.tas.edu.au](mailto:shsl@catholic.tas.edu.au)
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

**It is a legal requirement that parents are expected to advise the school as to why their child is absent.**

## Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

## WORKING WITH VULNERABLE PEOPLE REGISTRATION

**If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event.** This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

### How to apply for a WWVP and Number

1. Complete the online application form [www.justice.tas.gov.au/working\\_with\\_children](http://www.justice.tas.gov.au/working_with_children)
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

**Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.**

## Fire Alarm

A reminder that if in the instance a fire alarm is sounded whilst parents are on the school site, you are required to assemble on the oval. Students remain with teachers as part of the process is for the staff to ensure all students are accounted for. If parked on York when the fire engine arrives it is vital that you vacate the area to allow the fire engine access.

Last Day of Term Fundraiser**

Bring a gold coin donation and wear plain clothes or wear your sporting colours.

You donation will support the Archbishop's Samaritan Projects, a charitable fund established by the Archbishop of Hobart to assist Tasmanian families in need. As family budgets continue to be put under financial strain in Tasmania, a low socio economic state, due to the rising cost of living and slow increase in wages, more and more Tasmania families are requiring support and assistance from local charities, making the support provided to the Samaritan Projects by Catholic entities, including Catholic Education Tasmania, more important than ever.

Thanks for your support.

**RITE OF CHRISTIAN INITIATION OF ADULTS (RCIA)**
