## From the Principal:

### *"Staffing 2020"*

One of the great strengths of SHS is having 2 classes in each grade (double stream school). This means there are more children to play and learn with, more children to develop friendships with and more opportunities to expand networks. In single stream schools children have no choice as to who is in their class. This means that for the time they are in those schools they will most likely have the same children with them each year.

With class allocations at SHS, our teachers and school is committed to making sure each year the two classes in each grade are as balanced as possible.

We are finalising the placement of teachers onto classes for 2020. Listed below are our classroom teachers for 2020.

Ultimately it is our teachers who know the cohort of up to sixty children best, it is our teachers that are best positioned to accommodate the needs of all children, it is our teachers that spend hours considering all of the information, it is our teachers that we need to trust that are best informed.

Parents who have been a part of our school for more than a year would be aware that teachers take this process very seriously.

In 2019 for 2020 parents who have relevant information for class placements they are required to email me directly: [<brent.wilson@catholic.tas.edu.au>](mailto:brent.wilson@catholic.tas.edu.au). Parents must email me by no later than Monday 18th November 3pm. After this date requests will not be considered. Please consider how valid your email is in light of what has been shared.

## Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email [shsl@catholic.tas.edu.au](mailto:shsl@catholic.tas.edu.au)
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

**It is a legal requirement that parents are expected to advise the school as to why their child is absent.**

## Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

## WORKING WITH VULNERABLE PEOPLE REGISTRATION

**If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event.** This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

### How to apply for a WWVP and Number

1. Complete the online application form [www.justice.tas.gov.au/working\\_with\\_children](http://www.justice.tas.gov.au/working_with_children)
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

**Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.**

## Fire Alarm

A reminder that if in the instance a fire alarm is sounded whilst parents are on the school site, you are required to assemble on the oval. Students remain with teachers as part of the process is for the staff to ensure all students are accounted for. If parked on York when the fire engine arrives it is vital that you vacate the area to allow the fire engine access.
