Carry the Lantern with Dignity, Courage and Compassion....

"You must want to be different before you can change yourself." (Neville)

Each year Tasmanian Catholic Schools devote a day developing and enhancing our spirituality. As Catholic schools we believe we need to nurture the faith of our staff for their own personal development and as a way of supporting them to grow the faith of the children they teach.

This year we had hoped to work with one of our founders, the Presentation Sisters. Travel restrictions prevented the Sisters from joining us in 2020, we are hopeful that they will be able to work with us in 2021.

With careful reflection and discernment we agreed to maintain our 2020 theme 'Carry the Lantern with Dignity, Courage and Compassion'. Father Ben Brooks spent time challenging us.

Father Ben posed a number of questions...

- What gives you life?
- What gives Sacred Heart life?
- What is our personal relationship with Jesus?
- How are we connecting our school community with Jesus?

In challenged us to use our pillars of Sacred Heart -

- Catholicity
- Collaboration
- Communication
- Curriculum
- Capacity
- Culture

The pillars were crafted by our school in 2017 and Father Ben asked us to consider how they could help us understand what we are called to do as staff members of the Sacred Heart Catholic Primary School community.

Our staff then divided into groups to live out our spirituality. The groups spent time engaging with nature, cooking for the needy and exploring art therapy. We concluded our day by planning units of 'Christian Life' to be taught with the children of Sacred Heart.

Reflecting on the day I walked away considering.....

- What part do I play? How could I be a better person so I could do more to be more to reflect the Sacred Heart of Jesus.
- How fortunate we are that the SHS Staff share their talents with the children of SHS to support their faith development.

"Upon this rock, I will build my church." (Matthew 16:18)

We will trial this lunch system for the remainder of 2020 and seek feedback from our community at the end of 2020.

Reporting to Parents

Catholic Education Tasmanian (CET) have made changes to our Mid Year Reporting to Parents structures. Due to the impact of the COVID-19 pandemic parents at SHS will receive reports on Friday 14th August, Week 4 Term 3 (Prep - Grade 6). In the week following teachers will be available for Parent/Student/Teacher Interviews. We are currently considering what these interviews will 'look like'.

Tasmanian Catholic School reports will be different from years past. Our reporting format has been adjusted following Government direction. More details will be provided to parents shortly.

School Photos

We are pleased to confirm that School Photos have been arranged for Wednesday 9th and Thursday 10th September. More details will be provided closer to the days.

Uniform

Parents are reminded that children should wear PE uniforms on their PE day and on Friday's. Winter Uniform should be worn on the other 3 days of the school week.

This week we reminded all children of arriving and departing school looking neat and tidy, this includes shirts tucked in, jumpers on and shoes shiny.

Thanks for your support in continuing to present our school in a positive light.

Being Carefully Taught

The best teachers learn from their students. The wisest parents teach and learn from their kids. Wisdom comes from knowing what to teach, and sifting through what we learn to find truth.

There is a great deal we can learn from our children, if we approach them with open hearts and a receptive spirit. In some ways, kids are the greatest teachers, because they teach by simply being who they are. And who are they?

Well, when children are young, they are completely trusting. It is only when they have had their trust betrayed many times that they learn to doubt and fear. Young children love justice and scrupulously respect the rules. They are also fearless. As far as anyone can tell, we come into the world with a startle reflex when we hear a loud noise. All the other fears are learned.

This is something that has been known, sometimes intuitively, and more recently with research proof. Our beliefs, habits and attitudes have all been learned. We weren't born with them; they had to be taught to us either with words or experience. With a nod to Oscar Hammerstein's lyrics for "You've Got to be Carefully Taught" from 1949's "South Pacific" –

“You've got to be taught to hate and fear,
You've got to be taught from year to year,
It's got to be drummed in your dear little ear,
You've got to be carefully taught.”

Young children are naturally joyful and full of life. Everything is new and inviting to explore. They seem to have a natural inclination toward love but need to be taught to hate or feel contempt. They play happily together regardless of race, religion, sex, or ethnic background. They are honest and confident, secure, and venturesome.

When we realise that all of us started out that open and generous of spirit, we also realise that if we will only let our children teach us to remember our essential nature, there is great reason to hope for a world that celebrates diversity, equality and inclusion.

Welcome to Term 3. I trust all our families enjoyed a special holiday time.

On Tuesday all our staff participated in a Spirituality Day. We were challenged to reflect on our school pillars and our school motto, "All for the Sacred Heart".

*Carry the Lantern
with
Dignity, Courage
and Compassion.*

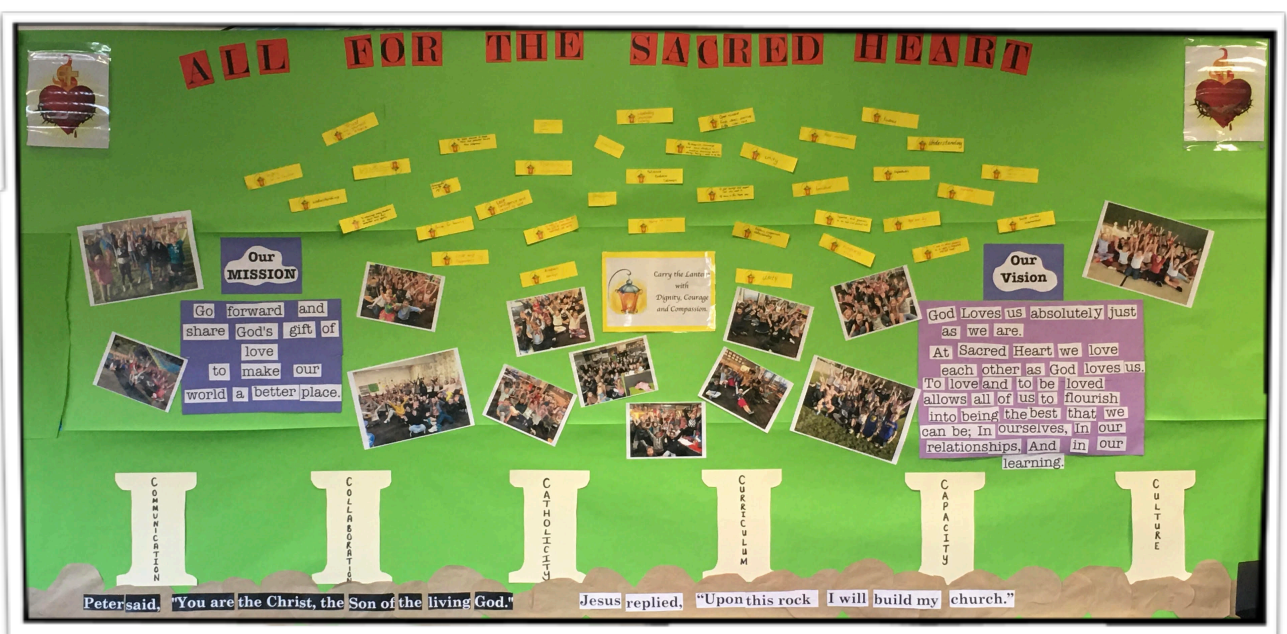

Jesus' Sacred Heart reflects His love for us always. All of us in our school community live in the love of the Sacred Heart. Thank you to Father Ben for leading our reflection, and to the staff who played significant roles in the running of the day. Sincere thanks to all staff for their active participation and enthusiasm.

This term our Religion classes will follow the theme, Christian Life and consider what this means for us at school, at home and in our wider community. Our children will have the opportunity to serve our community in some way, celebrate a Christian Life themed liturgy and develop a sense of connectedness in our local and world communities, as well as growing as people of justice and peace.

Next Friday Deacon Chatty will be ordained. Deacon Chatty has been a regular visitor in our classes celebrating liturgies and we thank him for his loving service to our school community. We wish him well in his priestly ministry and look forward to seeing him in our school again this term.

In peace, love and happiness,

Anna Davie

PBS - Fortnightly Playground Focus

Teachers and Grade 6 leaders will be looking to reward children who are seen to be meeting the expectations of our playground focus each fortnight.

We will have five of these this term. The first one is:

Weeks 1 and 2 - Right Time, Right Place, Right Way

this is about using the correct play areas, using play equipment properly, heading back to class promptly, remembering to go to the toilet during playtime and putting equipment back where you got it from eg: Daily Fitness basketballs
