Cultivating Enthusiasm at Sacred Heart....

"Enthusiasm releases the drive to carry you over obstacles and adds significance to all you do." (Norman Peale)

Did you ever notice that the people with the most enthusiasm are also the ones with the most energy? There is a scientific reason for that.

Neurologists have proven that when you do something with enthusiasm, it takes approximately one-tenth the effort that it takes to do ordinary things. They sweep aside the "have to" and go straight to "want to." People who are enthusiastic about their work don't feel dragged out at the end of a long day. Instead, when they stop working, they are likely to feel exhilarated.

Kids who are excited about what they are learning are also the kids who have about five other things going on for them after school time is done for the day. That love of learning spreads to everything else they are doing. They have learned early on to find the fun and enjoyment in discovering something new every day.

Seniors who continue to live active, purposeful lives tend to live longer and maintain their good health. These seniors are those same kids who were excited about learning and are now all grown up. And with that wisdom comes the realization that holding on to enthusiasm brightens each day and makes it a whole lot easier to get up in the morning!

You know, the word "enthusiasm" comes from the Latin "to be inspired by God." That's how good it feels. And it doesn't just feel good to you – it feels good to everyone who comes into contact with you, because enthusiasm is delightfully contagious in the very best of ways. So, it's important to show your enthusiasm when you feel it.

One of the great joys of being Principal at Sacred Heart is working with students, staff and parents who not only cultivate enthusiasm within, but look for ways to inspire others. We all know that our world is made up of hundreds of personality types. Our challenge as members of the Sacred Heart community is not only to aspire to be enthusiastic ourselves, but plant seeds and support others to become more enthusiastic. I wonder who you will be supporting or modelling your enthusiasm with this week?

One final word: Enthusiasm and pessimism are incompatible. That vital spirit that is you can't contain both at the same time. It's like the brain that cannot hold two opposing thoughts at the same time. Enthusiasm and pessimism are mutually exclusive. So, don't curb your enthusiasm. Cultivate it! Throw in a healthy dose of optimism and watch your energy level soar!

"Enthusiasm makes ordinary people extraordinary." (Unknown)

Jewellery Policy

In the past week we have noticed a small number of children who have had reminders about SHS's Jewellery Policy. This information can be found inside our Uniform Policy. It states.....

Jewellery:

✓ No costume jewellery or nail polish is to be worn to school. Students may wear watches, plain stud or sleeper earrings for pierced ears, necklace with a cross.

Please take a moment today to talk to your children about this.

COVID 19 Update (SHS School Events)

SHS, after consultation with Catholic Education Tasmania and informed by Health Department regulations, have reluctantly cancelled the following events for 2020.

- Cross Country
- Father's Day
- Grandparent's Day

We understand that there will be disappointment with these decisions, as a school we continue to seek to ensure our school community remains safe.

Reporting to Parents

Catholic Education Tasmanian (CET) have made changes to our Mid Year Reporting to Parents structures. Due to the impact of the COVID-19 pandemic parents at SHS will receive reports on Friday 14th August, Week 4 Term 3 (Prep - Grade 6). In the week following teachers will be available for Parent/Student/Teacher Interviews. We are currently considering what these interviews will 'look like'. Letters will be sent home shortly.

Tasmanian Catholic School reports will be different from years past. Our reporting format has been adjusted following Government direction. More details will be provided to parents shortly.

School Photos

We are pleased to confirm that School Photos have been arranged for Wednesday 9th and Thursday 10th September. More details will be provided closer to the days.

Uniform

Parents are reminded that children should wear PE uniforms on their PE day and on Friday's. Winter Uniform should be worn on the other 3 days of the school week.

This week we reminded all children of arriving and departing school looking neat and tidy, this includes shirts tucked in, jumpers on and shoes shiny.

Thanks for your support in continuing to present our school in a positive light.

Commencing next Tuesday 4th August, Sacred Heart will be utilising St Patrick's College canteen for lunches for Prep to Grade 6, two days a week.

Our school will have lunches delivered for second lunch only (1:30pm) on Tuesdays and Thursdays. If ordering lunch (on these days) parents need to consider this lunchtime will be later than the students are used to, so additional food for 11:00am first lunch may be required.

The school canteen will not be available any other days.

- The menus operate on a fortnightly rotation and we will be starting on WEEK A.
- Pantry List - items always available
Week A - lunch specials
Week B - lunch specials
- The App will only allow orders to be placed for the correct week. Orders cut off at 9:00am on Tuesday and Thursday mornings.
- **IMPORTANT - When entering your details, make sure you scroll down and click on Sacred Heart Catholic Primary School 227 York Street Launceston TAS.**

Please see further information (including full menus) sent via email today.

PBS - Fortnightly Playground Focus

Teachers and Grade 6 leaders will be looking to reward children who are seen to be meeting the expectations of our playground focus each fortnight. We will have five of these this term. The first one is:
