## Reporting to Parents

Tomorrow afternoon parents will be provided with written reports documenting your child's progress in 2020.

The progress statement provides feedback about a student's progress in key learning areas aligned to the relevant Australian Curriculum and Good News for Living achievement standards. It is a snapshot of student progress up until the end of Term 2, inclusive of learning and assessment opportunities undertaken by students, while working at home.

In response to the Federal Government amendments regarding the reporting of student achievement due to the COVID 19 pandemic, an A-E rating, as is usually the case for Grade 3-6, will not be provided. Student progress will be described as either developing, consolidating, or extending, indicating achievement against the expected standard at the time of reporting. (validated Australian Curriculum Achievement Standards and GNfL standards)

### Progress Ratings

#### ●Developing:

Indicates that your child is working towards consistently demonstrating the knowledge, skills and understandings identified in the year level achievement standard.

#### ●Consolidating:

Indicates that your child has consistently demonstrated the knowledge, skills and understandings identified in the year level achievement, at a satisfactory level.

#### ●Extending:

Indicates that your child has consistently demonstrated the knowledge, skills and understandings identified in the year level achievement standard, at an above satisfactory level.

### Narrative Reports

Where there is an alternative learning programme designed at a level appropriate for a student who is unable to access their year level curriculum, and it is therefore not appropriate to assess a student's achievement against the Australian Curriculum grade level achievement standard, a progress statement aligned to identified learning plans, will be provided.

## Reporting to Parents (continued)

---

### Parent/Student/Teacher Conversations

Next week parents have been invited to meet with teachers. Our school expects all parents to take up this opportunity either via ZOOM or face to face. Thanks to parents for returning forms quickly. Your times will be returned by Friday.

Reading your child's report it has been affirming knowing how well our teachers know your child. Each and every teacher has shared an accurate reflection of the learning journey for 2020. They also have identified areas where children have opportunities for growth. We look forward to our parent student teacher conversations next week where we can work together to continue our support of your child.

## Kindergarten 2021

---

Late last week we advised our Kindergarten 2021 intake that both Kinder classes will be attending on Monday, Tuesday and Wednesday in 2021. Our SETUP (Happy Hearts) will gather on Thursday in 2021.

## Traffic and Parking

---

Our school has always been challenged by being an inner city school. One of the expectations that we require from families is patience and adherence to road rules. SHS suggests parents delay pick up of children till 3.15pm if possible. We supervise children till 3.30pm.

I received an email from a neighbour last week. The neighbour shared the following

- Some parents had parked over private driveways
- Some parents had reversed into private driveways
- Some parents were 'jumping' pickup queues

I have advised the neighbour to make contact with the council if anyone is disobeying the laws.

We understand that families are eager to collect children, please also remember that as good neighbours we need to respect their property. Thanks for your support.

## School Uniform

---

Our school expectation regarding school jumpers is that ALL children wear these to and from school. The exception to the rule is only when we deem it too hot for children to do otherwise. We have reminded children of this expectation. Please ask your children tonight if they are wearing their jumpers as requested. Thanks for supporting our uniform expectations.

## Father Chathura

On Friday 31st July Father Chathura (Chatty) was ordained a priest in the Church of the Apostles. Last week Sam interviewed Fr Chatty. Our school presented Father a card with messages of support as he commences his ministry as a priest in Launceston. Sam was also 'excited' to present Fr Chatty with a jumper of his favourite football team.

Congratulations to Fr Chathura.

## Soiree

Monday night was a wonderful reminder of the importance of providing children with the opportunity to shine. Listening to 32 children play, some for the first time, in front of family and friends was a joy. Each one of our SHS children are to be congratulated for their performance. Thanks to our SPC tutors. A very big thanks to our parent community for continuing to support their children in the past 6 months of practising and playing music.
