## Advent

'Advent is a journey towards Bethlehem. May we let ourselves be drawn by the light of God made man.' (Pope Francis)

The season of Advent commenced on Sunday. Sunday 29th November is the first Sunday of Advent. By now many families will have begun their preparations for Christmas, trees and decorations will have been installed in some homes, perhaps some gifts will have been purchased and maybe planning for what happens on Christmas day will have been organised.

Fr Mark shared his thoughts in his homily on the weekend about what the season of Advent is intended for. He reminded us that Advent is a period of waiting and preparing for the Christ child rather than a time for rushing and stressing about what is ahead of us. We are particularly encouraged to be grateful for what we have and consider how we can enrich the lives of others by other actions. We were challenged to reflect on how we respond as members of a christian community and in particular to those members of our community who are less fortunate than ourselves.

A short YouTube link provides us with ideas of how we can provide hope for others

- Volunteer
- Spend extra time in prayer
- Be patient with your family
- Count the days with an Advent calendar
- Speak kindly to strangers
- Go to church
- Share hope with those who need it most while you wait for that special guest

*'It is the beautiful task of Advent awaken in all of us memories of goodness and thus to open doors of hope.'* (Pope Benedict XVI)

## Carry the Lantern with Dignity, Courage and Compassion.

We have spent much of this year waiting. For many of us we have waited to leave our homes, to return to school, to recommence sport, to reunite with loved ones from other places and now we wait for Christmas.

This Advent season we wait and prepare for the coming of Christ. We have much to be grateful for as we enter our Christmas season. Thankful for each other, our return to school, the opportunity for our Grade 6 leavers' to celebrate together, that we live in a healthy society.

When I was a little girl at Sacred Heart, Mr Nas taught me a song at Christmas time called, 'Stay Awake be Ready'. The first week of Advent the purple candle symbolises HOPE. Hope that a saviour will come. This song repeatedly tells us to stay awake, and be ready. Be hopeful, see with open eyes, be ready, He will come. Today we continue to need to be reminded to stay awake and look for the goodness in others,, see and help those in need. Our Mini Vinnies team has been tirelessly raising money and preparing food baskets for those in need in our own community. This week I was privileged to attend the CARITAS leadership day with 11 of our fine Year 5 students, where they were inspired to 'Stay Awake', see those in our world who need help, and discover, learn and create ways to help those most vulnerable.

As we wait in HOPE, be assured our young people at Sacred Heart are growing into compassionate, aware, hopeful and humble young people.

In Peace, Love and Happiness,

Anna Davie (REC)

## CARITAS Leadership Day

On Tuesday, 11 of our year five students attended the CARITAS Leadership Day. Already, our year 5's have shown they are ready and willing to take on the leadership role at Sacred Heart. Their participation, thoughtfulness and attentiveness were faultless.

Throughout the day they contemplated the virtues of a good leader. They heard about many wonderful people who have contributed to our world by serving and supporting the marginalised and they learnt about the work of three organisations. These organisations were St Vincent de Paul, Project Compassion and Caritas.

Finally, these incredible young people of ours, brainstormed ways they can raise awareness of the plight of others around our school, how they can fundraise and contribute to these worthy causes.

We can all be very proud of these children and I look forward to the wonderful contributions they will make to not only our school community next year, but to our world in the future.
