Holy Week and Easter are next week.

As a Catholic school celebrating our faith is part of who we are. Families are encouraged to consider which services they can share in the Easter season.

The times and places for our Masses and Ceremonies are included above. Because of the ongoing COVID-19 restrictions on gatherings it is essential that people wishing to participate in the Masses and Ceremonies in our parish register their booking for each and every Mass and/or Ceremony. A new Trybooking portal has been created, specifically for Holy Week and Easter Masses and Ceremonies in the Launceston Parish. Bookings are now open. The link to this portal is as follows:

<https://www.trybooking.com/BPVYD>

Please use the online portal as much as possible for your bookings. If you do not have access to the Internet, please contact the Parish Office for assistance with bookings for Holy Week and Easter. Even if you are on the regular parishioners lists for Sunday Masses, you will need to make bookings for the Masses and Ceremonies you wish to attend, including for Masses on Easter Sunday. Please note that the above link is new and is different to the link we have been using for many months for our regular Sunday Masses. Parishioners wishing to attend Holy Week and Easter Masses and Ceremonies at the Carmelite Monastery will need to contact the Monastery directly by phone on 6331 3585.

Parents are reminded that teachers begin duty at 8.30am. We have noticed a small number of children arriving prior to 8.30am. We understand that one of our bus services does arrive prior to 8.30am and it is unavoidable for these children.

If you are arriving prior to 8.30am parents should remain with children until then or utilise Before School Care provided by Catholic Care. Under no circumstances should children be playing on equipment or with sports equipment in our school grounds prior to 8.30am.

Road Safety

We were contacted by a member of the public expressing his concern regarding the manner in which children were crossing the road from Bourke Street to Frederick Street. He also shared that with the recent wet weather there were a number of cars who had skidded in this area.

Please spend a few minutes tonight reminding your children of the importance of adhering to all of the rules in and around roads. Finally we ask all drivers to take an extra minute being safe on the roads and especially in school zones.

Well Being Week at Sacred Heart in Week 9, Term 1, will be a 'Festival of Friendship'!

In last week's Newsletter Mr Wilson mentioned that during the last week of Term 1, commencing Monday 29th March, Sacred Heart will be focusing on Well Being. This will create an opportunity for students and staff to reflect on and celebrate the friendship and social and emotional skills that they have been practicing during Term 1. Each day at lunch time students will be able to participate in fun student-led activities designed to help them strengthen and showcase their friendship skills.

Sometimes as parents and carers it is hard to know how to best support our children in their friendships when a friendship changes, when they encounter mean-on-purpose behaviour or find themselves in the middle of a 'friendship fire'. I want to be able to give you, as parents and carers, the skills and confidence to know how to support your children in their friendships too! So, on Monday the 29th of March, from 2pm to 2.45pm in the Staffroom, I will be holding a **'Friendship Skills Information Session for Parents & Carers'**. This parent information session will give you the opportunity to come along and learn about [URSTRONG](#)'s language of friendship and develop an understanding of the friendship skills and strategies that your children are learning at school, so that you can adopt the same language, skills and strategies to support your children in their friendships at home too. If you are able to attend this information session, please RSVP to me (Megan Booth) via email megan.booth@catholic.tas.edu.au

We look forward to a great last week of Term 1!

Remember...

- Monday - Wednesday (29th - 31st March) children may wear Sports Uniform
- Monday 2pm in Staffroom, 'Friendship Skills Information Session for Parents & Carers'
- Thursday 1st April children may wear Free clothes (please ensure sensible footwear)

Dr Kristy Goodwin helps parents and professionals raise thriving teens in a digital world. She equips worried parents with critical information about the current cyber risks, the positive potential of technology and practical strategies for navigating the online world with adolescents (that *don't* involve phone bans). She provides parents with essential information about how technology is shaping teens' health, learning and wellbeing. In this parent seminar, Dr Kristy will share practical tips about how to prevent screens from adversely impacting teens' sleep, physical, social and emotional health. She'll talk about pornography, cyber-safety, online gaming, cyber-bullying, social media (and its impact on adolescent mental health), and addiction concerns and help parents understand what they can do to help their teen develop healthy technology habits. She'll also provide opportunities for parents to ask their 'digital dilemmas'.
