### End of Term 2.....

*“What counts in life is not the mere fact that we have lived. It is the difference we have made to the lives of others that will determine the significance of the life we lead.” (Nelson Mandela)*

Tomorrow marks the end of Term 2. Ten weeks have passed by very quickly. Our school community has much to be proud of in the past term. Our achievements include:

- Sacred Heart Feast Day Mass
- Sacred Heart Feast Day Activities and SHS's Got Talent
- Class Masses and Liturgies
- Mother's Day
- Launceston Competitions - where more than 350 SHS children participated
- Cross Country Carnivals - Early Childhood, Primary, NIJSSA, All-Schools
- Kindergarten 2022 Interviews
- Gala Day Sport - Winter Roster for Grades 5 and 6
- Class Excursions
- Cross Country Training
- Strings and Band Soirees
- School Photos
- Dance Fever
- Fairy Tale Day - Prep
- Visit from Premier Peter Gutwein
- One Day a Week School
- Ten weeks of Teaching and Learning

We acknowledge for these celebrations to take place it requires members of the community to contribute to SHS. We are indebted to the parents, grandparents and friends who consistently volunteer time, wisdom and energy towards helping out. People who contribute to the common good of our community strengthen our school. Our children are the beneficiaries of your support. Schools should be an extension of your families. Schools should be places where children are able to be challenged, learn from others, learn about love, learn about themselves, learn about the world and understand that they are a part of a world that they can contribute to. Schools are always more effective communities when many people make contributions to children's education.

## End of Term 2 continued.....

---

Catholic Schools are places where children nourish their faith, build their understanding of what it means to be a child of God and become the person God wants them to be. Our role at SHS will always be to build and support this relationship.

Along with this list of celebrations we continue to acknowledge that our teaching staff continue to provide the children of Sacred Heart with the best possible learning opportunities. Our teachers spend many hours planning, reflecting and preparing for our children. Teaching is not a 9am – 3pm job. There are so many additional responsibilities, meetings and preparations that are required. Teachers are required to understand so much about each and every child they teach. Our teachers don't always get things right, but they will always strive to provide the best possible Catholic education for the children of Sacred Heart. Equally we acknowledge all of our support staff and the very significant contributions that they make to our school.

We will continue to thrive and grow the better we work together, with the same approaches and understandings about the important elements of helping our children grow into functional and healthy young men and women.

For now it is time to stop, give thanks to all of our community for your contributions to the school community. Every event requires a contribution by many. When you have a moment these holidays acknowledge and give thanks with your children 'how lucky they are to be a part of Sacred Catholic Primary School'. For a moment reflect with them if they had been born in one of the less fortunate places of our world. And when the time is right, prepare your child for what lies ahead in Term 3 and 4 by challenging them to set new learning and behavioural goals.

To each and every member of our community enjoy your break and in particular enjoy the time you have with your children.

'Small acts, when multiplied by millions of people, can transform the world.' (Anonymous)

*'In the tapestry of childhood, what stands out is not the splashy blow-out trips to Disneyland but the common threads that run throughout and repeat: the family dinners, nature walks, reading together at bedtime, Saturday morning pancakes.'* (Kim John Payne)

## Final Day of Term 2

---

Tomorrow is the final day for Term 2. Families are reminded

- Subway orders close at 3:30pm today
- Children may wear Free Clothes tomorrow (sensible footwear please)

## COVID Update

---

With the current situation around Australia, I think it is timely to remind you all, of our current Covid related requirements. I wish to thank all of you who have been very supportive and understanding of our current situation. Currently regular school activities are to operate as per normal. We will continue to advise you of any restrictions around special larger events.

Below are our individual responsibilities:

- Anyone who displays cold or flu symptoms must not enter the school site.
- If children display cold or flu symptoms during school time we will be calling you to request you collect your child from school.
- Anyone who is waiting for a Covid test result must not enter the school site.
- Anyone who has travelled to a high-risk area must not enter the school site until cleared by a medical practitioner.
- Anyone requested to quarantine must not enter the school site.

These rules are in place to ensure that we are all kept safe.

We also request that if your child is sick, that you keep them at home, as a day's rest is beneficial for a speedy recovery and prevents the disease from spreading. Over recent weeks we have had many staff members off sick, creating an interruption for the learning of the whole class. Your support is greatly appreciated.

For more information visit [coronavirus.tas.gov.au](https://coronavirus.tas.gov.au).

## Surveys

---

On Monday of this week every family would have received an email inviting you to complete a survey about our school. Thanks to the families who have already completed the survey.

Surveys remain open until August.

## Pupil Free Day

---

All Tasmanian Catholic Schools spend a day with staff nourishing our spirituality. As a Catholic school we are called to support and grow the faith of all of our community. Our staff will be spending time working with The Presentation Sisters working to gain a greater understanding of how the values and mission of Nano Nagle, as one of our founders, still impact and are of absolute relevance to our school today. As a school we look to all of the staff sharing our responses, questions and learnings with the wider community.

Our staff will be spending Monday July 19th working with the Presentation Sisters. This means children commence school for Term 3 on Tuesday July 20th.

## Road Safety at SHS

---

This week I was notified that a very small number of parents have been leaving our school grounds from the bottom of the turning circle and turning right. The Margaret Street entrance is clearly signposted. This means some parents are breaking the law, slowing the traffic down and putting others at risk. We understand that people have places to go and perhaps this is a quicker route.

Ask yourself what is more important getting somewhere quickly or getting somewhere safely? Please respect all of our community by obeying the rules. Thanks to the vast majority of families that continue to follow road rules.
