Sacred Heart Catholic Primary School Board

Tasmanian Catholic Schools all function with a School Board. The prime role of the board is to provide advice, support and direction to the principal. Our Board is made up of our Parish Priest, Fr Mark Freeman, Principal, Brent Wilson and parent representatives Shane Rickerby, Kylie Boyle, Cas Douglas, Larissa Murray, Jo Widdowson, Ty Turner, Tiffany Lynch and Mallory Schipper

Our Board has a number of advisory committees that collection information that informs our school direction. These include

- Building
- Playground
- Uniform
- Future Years
- Sustainability

Our Catholic schools will always focus on how best we can continue to provide the best possible Catholic Education for the children of Sacred Heart. In the past 5 years our Board has had a number of focus points. The Playground Master Plan has been one that we have staged in three stages with more to come.

- Stage 1 - Installation of Playground in the Margaret Street entrance
- Stage 2 - Installation of All Weather Surface on middle court
- Stage 3 - Redevelopment of Old Grade 3/4 Playground and surrounds

Stage 3 will be timed to be completed at the same time as SHS Avenue. Parents were advised of the successful grant SHS had approved for this project. This project is designed to rectify the paths, walkways, handrails and egresses outside of the Grade 3/4 and Grade 5 block.

We are indebted to our current Board who are an asset to our school community.

Our Board has vacancies for 2022. Each term of office is for 3 years. We are especially interested in adding parents with financial expertise. Parents with other skill sets are also encouraged to add their interest. If you are interested parents will need to complete an Expression of Interest form and complete a CV with brief information of your experience. The form is available by emailing Karen Cettolin, karen.cettolin@catholic.tas.edu.au. Expressions of Interest close on Friday 26th November.

If you would like to know more about our School Board please ask Brent.

School Banking update from Commonwealth Bank

For 90 years, our School Banking program has helped children learn about money, reinforced the importance of regular savings and provided structure for parents to support their children to save. Though the program continues to have strong support from schools, parents and teachers, recent decisions by some state and territory governments because of a review by the corporate regulator mean we are unable to continue providing programs in schools, and we have had to make a difficult decision to close our School Banking program for all government and non-government schools across the country.

Our School Banking program was established in 1931 at a time when having a bank account was not commonplace, and since then we have helped more than 15 million Australians take their first financial steps. This would not have been possible without the wonderful support we have received from schools like yours, including all the parents and volunteers, and for this we are deeply grateful. Thank you.

Even though this is a sad time, School Banking has taught so many young Australians, past and present, the value of money and we believe this should be celebrated. We have created a place for you to share your stories, fondest memories and lessons learnt through the program. To share your story and access our financial education resources, please visit commbank.com.au/schoolbanking. Even though the CommBank School Banking program will not be returning to your school after this year, you can continue to make deposits into your child's Youthsaver account through online transfers or at any CommBank branch. If you need further information please phone 132 221 or visit your local CommBank branch.

2021 NIJSSA Athletics Carnival

Last Friday 56 students represented Sacred Heart at the 2021 NIJSSA Athletics Carnival. The competition was extremely strong throughout the day and with only the relays and 200m races left, Sacred Heart held a slender lead. From this point on though our school dominated winning many of the 200m races and winning almost all of the relays. So for the seventh consecutive time Sacred Heart was the overall winner of the event. Thank you to Agnes Kostecka, Natasha Millar, Lisa Jones, Anna Davie, Michelle McCullagh and Janelle Furlonge for volunteering on the day. A big thank you to ALL our students for your efforts this year in athletics (not just the students who represented the school on Friday). The persistence, determination and care shown for one another this year has been outstanding.
