## Welcome to the 2022 school year...

Sacred Catholic Primary schools prides itself on our values. We work with the children of SHS to empower them to treat all people with dignity and respect. One way we do this is to teach specific skills via MJR (Making Jesus Real). MJR highlights the goodness in each one of us and encourages us to look for the good in others.

Each month teachers focus on a specific area. This month our focus is

### W.E.S.T (Welcoming Encouraging Sorry Thanks)

Our teachers will spend time considering.....

"Religion is easy. Every time you smile, say please, thanks or sorry, help someone by picking up pencils when they fall on the floor, open a door for someone, give a compliment, etc – you are LIVING your religion. It's part of your life – it's part of who you are. In other words, you are living out being WEST".

1. Am I welcome to all students and staff in our school, not just my friends?
2. Am I welcoming visitors to our school?
3. Do I say hello, smile and welcome others in our school before they welcome me?

## Thanks.

In the past week I was reminded how impressive the SHS community is. Impressive in so many ways.

- It is reassuring to know that when we communicate with information about our COVID expectations parents support our school and the community at large.
- Accepting that under the current circumstances some things will be done differently.
- Reading all the letters that are shared via the school and teachers.
- Supporting children by being organised for school.
- Supporting children by looking for the positives.

We know that the disposition of SHS children is influenced by those closest to them, family, friends and our school. Last week when I looked around our community it was reassuring to see so many happy, friendly children eagerly greeting the new school year. Thanks to each and every one of you for your contributions to the well being of our children.

*'One of the most satisfying experiences I know is just fully to appreciate an individual in the same way I appreciate a sunset. When I look at a sunset... I don't find myself saying, 'Soften the orange a little on the right hand corner, and put a bit more purple in the cloud cover'... I don't try to control a sunset. I watch it with awe as it unfolds. It is this receptive, open attitude which is necessary to truly perceive something as it is.'* (Carol Rogers)

## Parking and Traffic in and around SHS

---

One of the challenges of being an inner city school is parking. Our school relies heavily on parents being patient. We have two drop off and pick up zones that we use. Both of these spaces are designed for parents to drop off and pick up children, they are not parking zones.

- Margaret Street
- York Street

If parents need to park their cars please find a parking space.

We find at the end of the school day parents who collect children from 3.15pm to 3.30pm are more able to enter these two zones in a timely manner.

### PLEASE NOTE

The Church of the Apostles is not a parking zone. The Launceston Parish reminded us this week that this space is not an area for parents to access. As good neighbours we need to leave this area for the elderly parishioners.

## Parent Teacher Goal Setting Conversations (Prep - Grade 6)

---

In Week 4, Wednesday 23rd February and Thursday 24th February teachers will be available via ZOOM to establish goals with parents. Teachers will be available between 3.30pm and 7.00pm both nights. Parents will need to book appointments online. More details will be emailed to parents this week.

## Uniform - Hats

---

All children are required to wear hats outside during PE lessons and at break times. We have noticed a small number of children who aren't wearing a hat. Please ensure your child has a hat. Thanks for your support.
