## Goals...

*'Goals. There's no telling what you can do when you get inspired by them, there's no telling what you can do when you believe in them, and there's no telling what will happen when you act upon them.'* (Jim Rohn)

Next week families will gather, via ZOOM, to discuss the goals they have for their children in 2022. For some families children will be also shaping what they hope to achieve this year. In our experience children from an early age know what they want and at times they know what they need to do to achieve their goal. Educational research is clear, when families and schools work together for a common goal the chances of success increase significantly. Our teachers look forward to the opportunity next week.

Each year our school also develops goals of what we want to achieve. Our goals are formed by the data we collect. This year we were able to utilise the survey data that parents, students and staff responded to in 2021 to assist us in shaping goals.

Our goals for 2022 are

- To enhance our Catholic Identity with the whole school community and strive to give witness through all our words and actions.
- By the end of 2022 we will have developed a school wide staff wellbeing philosophy, policy and procedures.
- Support the implementation of the CET (Catholic Education Tasmania) whole-system Literacy Project to improve the achievement of all students (Literate Learners for Life - every student, every subject, every year)
- By the end of 2022 we will have collaboratively developed a SHS philosophy for the Early Years (Birth - 8) so that we have a shared understanding of best practice in the early years.
- To develop a data responsive model of response to instruction
- To support staff in providing timely feedback to students on their academic learning

We have shaped several strategies to assist us in achieving our goals. We look forward to sharing more details about the 2022 goals as this year unfolds.

## Jesus Our Shepherd, fills us with Love, Goodness and Mercy

Our Sacred Heart theme for 2022 is Jesus our Shepherd, fills us with goodness, love and mercy. Staff and students have already pondered how they will follow Jesus and share these qualities with others. So what is GOODNESS?

*The Bible tells us that the word 'good' actually means holy, pure and righteousness. Goodness is godliness. Goodness can often be seen in our actions, but our heart also has to be pure. The goodness of Christ is to be demonstrated in our lives every day.*

It is not hard at Sacred Heart to see goodness all around us, but because we are human this is something that we need to constantly work on.

Students have shared welcome liturgies with their new classmates, teachers and helpers. They are learning about Jesus and what he taught us. Teachers have already engaged in meaningful planning of the children's next unit, Christian Prayer.
