## Welcome back to Term 3

I hope you have had a chance to regroup and refuel in the holidays and spend quality time with family and friends. In the busyness of our lives, especially during term time, the chance to rest and take care of ourselves during holidays is crucial.

At the end of last term you would have been involved in parent student teacher interviews. Parent student teacher interviews provide a chance to recognise and celebrate your child's/children's achievements during the first part of their 2022 school year and to discuss 'where to next' in their learning journey. At Sacred Heart we always have excellent attendance rates during these two days, a reflection of the care and investment we have as a community in our students, academically, socially, emotionally and spiritually.

We are very fortunate at Sacred Heart to have an involved community, a connected group of people brought together through the common interest of the welfare of our students and helping them reach their potential. Within this community we support each other in challenging times, care about each other, build relationships, celebrate our successes and share a sense of belonging and pride in our school. As a community we are strengthened by the gifts and contributions we bring to our community, guided by our faith, attitudes and values.

As I reflect on the first half of 2022 it is with great pride that I recollect all the opportunities our students have been offered and the successes of our community. Cross country carnivals, Red day, reports celebrating learning progress, Sacred Heart Feast Day, buddy masses, Mother's Day celebration, participation in the Anzac day parade, Sacrament of Reconciliation, Grade 5/6 gala day and swimming carnival to name just a few. These experiences are in addition to the everyday participation of students within classroom learning programs where they learn and continue to make connections with staff and their peers. Thank you to everyone who contributed to these experiences by sharing your gifts and experiences in order to foster a connected community. I look forward to working with our community for the remainder of 2022.

## Covid update

---

Please be aware of the updated COVID Safety plan from CET.

- If your child is unwell please keep them at home
- Positive cases are still required to isolate for at least 7 days.
- Close contacts are still required to follow close contact rules for 7 days including testing daily if leaving their home and wearing a mask (all persons 12 years and older) in indoor settings when outside their home.
- RATS are available at the office if you need them
- Face masks are no longer required to be worn in schools, early childhood centres or on public transport unless the person is a close contact however, Public Health **strongly encourages people to wear a face mask** indoors where they cannot physically distance themselves or if they are at a higher risk of respiratory illness like COVID-19 and influenza.
- The reinfection exclusion period has been reduced from **12 weeks to 28 days**. People who have symptoms of COVID-19 within 28 days following their release from isolation do not need to test and isolate for 7 days.

## Confirmed cases

---

Should a student or member of staff test positive for COVID-19 they must:

- Please continue to inform us if your child tests positive or is a close contact
- Isolate for a minimum of 7 days, provided outside the 28-day reinfection exclusion period.
- Isolate for a further 3 days if they still have symptoms on day 7.
- If test positive using a rapid antigen test, register the result with Public Health using their online declaration form or phone the Public Health Hotline 1800 671 738.

# Outdoor Play and Learning

Catholic Education Tasmania supports schools in offering children creative play and learning within our outdoor spaces through our Outdoor Play and Learning Policy.

It is timely to restate some purposes of this policy, being:

- Support learning and creative play with reasonable levels of risk-taking.
- Offer age appropriate activities and items to encourage development of gross motor, collaboration and risk assessment skills.
- Enable children to extend their capabilities.

Examples of potential activities with suitable risk controls include:

- Loose parts imaginative play & building.  
e.g. Logs, sticks, milk crates, rocks, tyres, mud play, etc
- Limited tree climbing / play
- Approved items disassembled
- Fire pit usage & tricycles ridden without helmets

If your child(ren) are participating you may wish to discuss how they are finding this? You are welcome to contact your Principal with feedback, or queries.
