Father's Day

Father's Day has traditionally been celebrated in some form since the Middle Ages in order to honour Saint Joseph, Jesus' mortal father, husband of Mary and the patron Saint of fathers. This tradition continues today as we honour and celebrate fatherhood and special bonds in all its modern day forms. At Sacred Heart on Wednesday our students celebrated with the special people in their life, enjoying a variety of activities and dedicated time to be together. The photos below speak for themselves.

Athletics Carnival

Our Grade 3-6 Athletics is due to be held at St Leonard's on Friday the 9th of September. Depending on weather conditions there may be a need to postpone the carnival. We will advise parents of our decision by 8am on Friday morning.

Band Soiree

The next Band Soiree is on Tuesday the 6th of September at 5:30 in the Presentation Hall. A letter with all the information has been sent home from St Pats.

Tasmania Fire Service

A firefighter from the Tasmania Fire Service (TFS) is visiting our school next week to present a Home Fire Safety Program to our Prep to Grade 6 students.

Kindergarten students, whilst not receiving a structured lesson, can expect a visit from the firefighter who will leave some free fun activities for the students to complete.

The age appropriate program is designed to raise fire awareness in children and includes fun in class activities, videos, activity books, website www.tfseducation.com.au and giveaways.

Parents and other family members are also encouraged to participate by reading the information and assisting your child with the after school activities.

The TFS aims to deliver appropriate fire safety education to every primary school child in Tasmania and is part of the TFS's ongoing commitment to create a fire safe Tasmania.

Key Fire Safety Messages include,

[Wake up - Install a smoke alarm in every bedroom](#)

[Plan and practice a home fire escape plan with the whole family](#)

[In an emergency call triple zero](#)

[Keep flammable material at least two metres from the heater](#)

[If your clothes catch fire, stop, drop, rock and roll](#)

[Keep matches and lighters away from children](#)

[Cooking - Turn it off before you turn away](#)

[Cool a burn under cool water for at least 20 minutes](#)

[Most house fires can be avoided. Make your home fire safe](#)

EARLY CHILDHOOD

TFS receives regular requests from preschools and child care centres asking for firefighters to visit and teach children about home fire safety.

TFS does not deliver structured fire safety programs to children below primary school age. This decision was made based on research carried out by the Mental Health Services of the Royal Children's Hospital and the Metropolitan Fire Brigade in Melbourne. This research indicated that:

- Children under the age of five had low retention of the information they had learned; and
- In some children, the information had actually stimulated their curiosity about fire and they had begun to play with fire.

TFS believes that parents and caregivers are the best people to make sure that very young children are safe from fire. To help with this, TFS has a [fire safety website](#) for parents, carers, teachers and students

TFS has also developed resources for young children that introduce them to the friendly firefighter characters that they will meet when they receive the School Fire Education Program including a colouring book and stickers with home fire safety messages for the whole family.

Free giveaways for your preschool or child care centre are available [here](#).

WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.
