It takes a whole village to raise a child....?

Many of you have heard the phrase '*It takes a whole village to raise a child...*'

This phrase is one we often refer to on the understanding that as a member of the Sacred Heart Catholic Primary School community we all play a part in supporting and encouraging others to be their best self. The children of Sacred Heart look to us, as the adults, to role model the behaviours they are expected to carry out.

In the past few weeks we have enjoyed a range of community events that have provided us with an opportunity to gather as a community. These included Grandparents Day, basketball tournaments and athletics carnivals.

In the next few weeks there will be further opportunities for our community to spend time together, watching and listening to the children of Sacred Heart. Each one of these events is an opportunity for our community to enjoy the company of others, celebrate the experiences and reflect on what makes our school unique. Some of the events to look forward to include

- Early Childhood Athletics Carnival
- Carols by Dusk
- Final Mass for 2022

Listening to Fr Ben's homily last weekend I asked myself what else? What else can I do to be a better person? Am I always striving to be the best version of myself or do I only do this on certain occasions? Should we wait for these moments and occasions to share the values seen as intrinsic to our school and my life more broadly?

It is often easier to demonstrate our positive selves when things are going well. What we are all challenged to consider is how do we respond when things don't go our way? Catholic School communities are challenged to do exactly this. Reflect on our own self-awareness when things don't go according to our expectations. Each and every day we challenge children to build resilience, develop empathy and consider we are a part of a school and global village.

In the coming weeks our Grade 5 children will put themselves forward to nominate for responsibilities such as School Captains and House Captains. Most who nominate themselves won't be elected as there are always more applicants than positions available. How will all of the children respond? As adults what role will we play?

There will be many more examples this term of circumstances that challenge us. Ultimately every individual in our community controls their own response because each one of us owns our behaviour.

Looking forward to the last part of 2022 our team leaders this week were asked to consider. What moments in my day am I identifying and co-creating?

'For we are God's handiwork, created in Christ Jesus to do good works....' (Ephesians 2:10)

NIJSSA Athletics

Congratulations to our team for their wonderful performance last week. Our team should be proud of their team spirit, excellent attitude and sportsmanship. We were placed second overall at the carnival.

- Halo Schulz who broke a record in the Girls Grade 5 High Jump

Thanks to our wonderful officials and families who supported the team. Thanks to Mrs Halley and Mr Davie for providing teacher support. A very big thanks to 'super coach' Mr Anderson.

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity
