## Sacred Heart Feast Day

Tomorrow marks the day we celebrate the Feast of the Sacred Heart. Tomorrow is an opportunity for us as a community to give thanks for our school.

On this day we celebrate the Sacred Heart of Jesus. As a school we gather to celebrate Mass in the Church of the Apostles in the morning. As a Catholic School this is why our school was established almost 150 years ago, to celebrate that Christ is the heart of our faith and school.

Prior to Mass children will spend time participating in activities that are designed to grow our appreciation for others. The children will enjoy a range of 'olden day games' in buddy groups. Our teachers have selected games that many children will be unfamiliar with, these include elastics, hopscotch, marbles and knuckles.

In the afternoon we will gather to watch the talent of SHS at SHS's Got Talent. Representatives from each class from Grades 1-6 will participate in a talent show.

Children are encouraged to dress in 'olden day clothes' to celebrate the occasion. Parents are welcome to join us for our Mass and the SHS Talent show.

On Sunday 18th June we will be celebrating at the Parish Mass at the Church of the Apostles from 10.30am. Following Mass families are invited to join us in the Presentation Gym for a hot drink and tours of the school led by our Grade 6 children.

Our 150 Years Team began planning for these occasions in March of 2022. We are indebted to our team Sister Majella Kelly, Adele Murphy, Anita Mercer, Lidia Tulk, Phil Illingworth, Cynthia Brock, Karen Cettolin, Shannyn Hodgetts, Mallory Schipper and Brent Wilson.

## Feedback and Reporting 2023

At Sacred Heart Catholic School our aim is to provide students and parents with quality, individual and diverse feedback in recognition that “feedback is among the most powerful influences on achievement” (John Hattie). To assist in this, over the past few years Sacred Heart has introduced SEESAW, an online feedback platform which you would be familiar with. Feedback would have been provided in various Key Learning Areas in order to provide you with information in regards to 3 key questions around student achievement;

- Where am I going?
- How am I going?
- Where to next?

Teachers will be posting assessment samples aimed at closing the gap between how the student is currently performing and the desired performance, linked to the Australian Curriculum, by focusing on the following elements;

- Learning Intention (We are learning to...)
- Success Criteria (I can...)
- Evidence (what the child has achieved)
- Future focus

The feedback may be provided in a variety of formats such as;

- A written comment in the teacher comment box
- An auditory comment on the post
- A marked rubric
- A video of the students discussing their work or the teacher providing feedback

As a part of assessment and feedback we will also be providing you with a CET Summary report at the end of term 2 and at the end of Term 4, in a digital format on COMPASS. The CET Summary report will be slightly different from reports of the past whilst still providing overall results in all Key Learning Areas, Application and Attitude to learning as well as a general comment.

Another opportunity, in addition to parent student teacher in term 1, will be provided at the end of Term 2 for Grades P-6 and Week 1 Term 3 for Kinder parents (more information to follow).

Research shows that parental engagement in children's learning improves outcomes. To ensure you are a part of your child's learning journey please ensure you are accessing COMPASS reports, SEESAW and attending parent student teacher opportunities. Please contact your child's teacher if you are having any difficulty with access or have any questions.

# Wellbeing Lessons

## BREATH WORK

Every Wellbeing Lesson from Kinder to Grade 6 involves a focus on Mindfulness. Part of this is Breath Work. Breath Work is crucial for emotional regulation, self awareness, stress reduction and improved focus and concentration.

At Sacred Heart, we make Breath Work fun! Here you can see Reuben, Blake, Charlotte and Amelia practising their 'Star Breathing'.

- You stretch your hand out like a star and use your other pointer finger to trace your fingers up and down.
- As you trace up, you breathe in and as you trace down, you breathe out.

Our Sacred Heart Students understand that practising breathing skills is important for creating great habits that we can then access in times of need. By incorporating breath work into their daily habits, children can cultivate a sense of calm and balance, improving their overall wellbeing.

# 2023 NIJSSA Cross Country Carnival

Last Wednesday 48 students represented Sacred Heart at the annual NIJSSA Cross Country Carnival. All of our students did an amazing job with every single runner giving it their best. Sacred Heart finished second overall with three races won by Sacred Heart runners and two team events won by Sacred Heart.

These terrific results don't happen by accident. I would like to thank the following people:

\*Thank you to Kelly Franks and Lauren Innes who volunteered on the day.

\*Thanks to Russell and Phil for scoring and setting up on Wednesday.

\*Thanks to Mr Crawford and Mrs Munro for leading our team last week.

\*Thanks to the large number of students who have been running before school this term at Brickfields.

\*Thanks to Mr Wilson, Miss Gregg and Mr Crawford for helping with before school running.

\*Thank you to all the students from Prep to Grade 6 for your efforts with cross country running this term. It has been great to see your enthusiasm, determination and support of each other.

# NIJSSA Cross Country

On Wednesday, students from grade three to six who placed 1-6 in the cross country participated in the NIJSSA (Interschools).

There were 9-10 other schools that participated as well. We had a really successful day and placed 2nd overall. Well done to all Sacred heart runners for putting lots of effort into their running.

Some highlights were the determination shown by Grace, Carter and Campbell to finish in first place, Tommy's resilience in the grade 6 race and the sportsmanship of the cheer squad.

Thank you to Mr. Anderson for holding the carnival, organising the schools tops and organizing the schools to come on Wednesday. Thank you to Mr. Wilson and Mr Anderson for setting up the morning training. Thank you to Mr. Crawford and Mrs. Munro for supervising all of the kids and helping cheer the kids on. Thank you to Mr. Russell for the scoring and any other adults who helped out as well.

Well done to the students that participated in the carnival and who received a first, second or third place. You should be really proud of how you represented the school.

## ACCESS, CHOICE and PRACTICE

Scholastic strives to connect children with the books they will love to read. Enhancing their experience when accessing and selecting books increases the chance of choices that lead to their reading enjoyment and practice.

# TAZMANIAN OPEN CHESS TOURNAMENT

For 10-year-old Travis Liddell, his love for chess has grown since his father and uncle taught him to play.

Having just moved from South Africa to Launceston last month, his mother Lauren Liddell said chess had helped her son find "his people".

In one game, Travis took on a 70-year-old player.

He said he was happy to finish the games, after practising for so long – and said he was able to use some tips and tricks taught by his uncle.

Setup for Success is Catholic Education Tasmania's early years program promoting learning for life for both young children (Birth -5) and their families.
