## Catholic Education Week

This week is Catholic Education Week.

It is timely to reflect on our 38 Catholic schools in Tasmania. We educate over 15,000 children with more than 2,500 employees. The proud reputation of Catholic schools today is based on the strong tradition built by parishes and religious orders who founded Catholic education in Tasmania. Our schools continue to aspire to the same distinctive mission and ideals of maintaining high academic standards within a faith-based education framework."

Historically most of our schools, including Sacred Heart, were established by hard working parishioners and members of religious orders. Schools that are built today rely predominantly on government funding. When our school was built 150 years ago governments provided no financial support. When we reflect on the past custodians of Sacred Heart and the legacy they left we have much to be thankful for.

In particular we acknowledge the Presentation Sisters and Christian Brothers. Our school is founded on the charisms of Nano Nagle and Edmund Rice. It is our responsibility as the current custodians of Sacred Heart to continue to build and enhance our culture. We are responsible for leaving our school in an even better place than when we arrived.

Catholic Education Week is also an opportunity to give thanks to our wider community and the gifts they bring. Thank you to the parents and community members who work in partnership with our school. We give thanks to our Board Members, Parents and Friends, those who volunteer in classrooms, sports carnivals, fairs and camps. Thank you to all our staff at Sacred Heart, a staff who invest in our students in every aspect of their education and lives. And of course none of this would be possible without the students of Sacred Heart. To be able to work in a school where students inquire, approach the day with curiosity, passion, resilience, awe and wonder is a blessing.

There are a number of events being celebrated this week. These include

### **Mass at Sacred Heart Newstead**

Dan Crawford and our choir (made up of Grade 5 and 6 children) sang at CEW Mass yesterday. Our school was represented by Grade 6 children and accompanied by Sarah Viney, Anna Davie, Cam Illingworth, Tiffany Lynch and I.

### **Tour by CET (Catholic Education Tasmania) guests**

On Wednesday Father Ben and a number of CET staff visited our school. Our Grade 6 captains lead the guests on a tour of our school.

### **Morning Tea for CEW**

On Tuesday we provided Morning Tea for staff to say thanks for all that they do for the children of SHS.

### **CEW Awards at STM**

Last night the annual award ceremony at STM was held. The awards are an opportunity to especially recognise a number of people, including parents, staff and community members in Catholic Education for their contributions to our schools.

## SHS Disco

---

Excitement is building for our inaugural Disco with DJ Dan on Friday night. A very, very big thanks to our P and F for your big efforts to 'get this event' happening. We are indebted to this group of volunteers who have spent hours organising the night.

Remember

- P - Grade Two 5.00pm - 6.00pm
- Grade 3 - Grade 6.30pm - 7.30pm

We have spoken with children regarding the expectations of the evening and look forward to a night where all children are able to enjoy the disco.

## Green and Gold Day

---

Next Friday, 18th August, SHS are providing children with an opportunity to celebrate the holding of the Women's World Cup Soccer in Australia and New Zealand by dressing in **Green and Gold**. Many of us have enjoyed the success of our women's team, the Matildas. Children are welcome to come dressed in their green and gold to demonstrate their passion for the 'Tillies'.

There is no cost for this event.

# Wellbeing Lessons

## FRIENDOLOGY

Our Early Childhood Friendology Lessons have been focussing on responding to others in respectful and friendly ways. We have been role playing what to say to our friends when they tell us something surprising, interesting or unusual. We have also been exploring what our body language and facial expressions communicate to others.

Body language is a powerful way to convey emotions that may not be expressed verbally. It can give cues about comfort, trust and engagement in a relationship. Positive body language such as maintaining eye contact and smiling fosters connection, empathy and understanding. While negative body language can create misunderstandings.

We have had lots of fun with our role plays, practising our 'scrunchy faces' when responding to our friends and then practising our 'friendly faces'. Awareness, practise and open conversation is helping us to cultivate strong, healthy friendships here at Sacred Heart.

# NANO'S CORNER

Nano Nagle is one of the most important person to ever live with changing education and founded the presentation sisters. Nano Nagle lived in Cork, Ireland and walked around the streets at night starting many Schools to give the poor children who couldn't go. After this the presentation sisters travelled to Launceston and opened our school in 1873.

Some Grade 6 students caught the bus to Star of the Sea in GeorgeTown, where we gathered all together to celebrate Nano Nagle. Before we started to learn about Nano Nagle, we played some REALLY fun games with everyone. Shortly after, we watched this kind lady teach us and show us fabulous facts about Nano and we filled out a sheet of what we learned. It became clear that Nano was truly a faith filled person, presenting her magical presence in this world. Everyone had a fabulous time and left with a ton of knowledge about the Holy Presentation Sisters, who started all of these wonderful schools.

In the face of anxiety, she chose to trust,  
In the face of impossibility, she chose to begin.
