## Mid Year Reports

Teachers are currently completing mid-year reports for children in Prep - Grade 6. These will be shared with families on Friday 28th June via COMPASS. In the week following, Wednesday 3rd July and Thursday 4th July parents are asked to meet with teachers to discuss the progress of their child. Details will be sent to parents regarding how to make appointments with teachers on Monday 24th June.

Reading through your child's report is always rewarding. Our teachers are extremely well versed in their understanding of each and every child they teach. They provide families with accurate information of children's progress and successes and share ways children can make the next step in their learning journeys.

When you read your child's report next week,

- Consider what the teacher has shared.
- Remember we should celebrate the success of each and every child.
- Ask yourself how we as parents are able to further support our child?
- Ask your child what are they doing to achieve the goals that have been identified?
- What is the first step they are making towards their goal?

Educational partnerships work best when we work closely together for a common goal of identifying children's strengths and developing areas for growth. The children of Sacred Heart own their educational successes, by working with them they will continue to progress in both their academic and social growth.

'Setting goals is the first step in turning the invisible into the visible....'  
(Tony Robbins)
