## OUR P.B.S. VALUES ARE:

Respect for Ourselves

Respect for Others

Respect for our Learning

## From the Principal:

*BeAttitudes: Be Compassionate*

*If you want others to be happy, practice compassion, if you want to be happy, practice compassion*

*Dalai Lama*

Having to meet with families with their first child about to enter formal education for the first time, is a tiring but humbling experience. I wonder if you can remember the anxiety, questions and concerns you had when enrolling your eldest child here at SHS.

Most parents talk about the importance for them to focus on all aspects of the child. I encourage parents to make sure they are sure, that the school they are applying too, will suit what they want for their child. At S.H.S. we continue to focus on the broadest sense of education. We see interpersonal skills, compassion, a moral compass that navigates your actions and choices, high levels of literacy and numeracy, linked to being able to use technology, respect for self, others and learning along with resilience and forgiveness as critical and as important as formal traditional curriculum content.

When parents have raised concerns with me in the past, right across my career as a Principal, I cannot recall anytime that this has been to do with spelling? Or concerns that we are not focusing enough on Geography, History or other curriculum areas. This never happens, I mean never! This is not to say that these concerns are not important but rather we see other things as priorities. We see our children's happiness, self esteem and overall emotional and mental wellbeing as more important. I would like to add compassion to this list of priorities. Compassion is for me, showing empathy and understanding for others and their situation. It implies genuine forgiveness! For me also, it is doing the right thing by another person whether you like them or not, whether their previous behaviours deserve it or whether they will repay the same compassion back in the future.

To be honest it is something that I am extremely proud of in my professional role leading our school. It is one that at times I struggle to do justice to in my personal life. It is hard to show compassion to people that I know are critical of me, my family, or making comments about other parents that I know are just not true. People would be amazed as to what gets back to me in relation to this and often, how far off the mark the comments are. But just as disappointing is how lacking in compassion some of the comments are! We have at the end of the day two simple choices. To one, expect everything to come to us, our need, our plight, our self interests. Or to have a philosophy of giving out, sharing and showing compassion and generosity, knowing that if more take the second approach then the first approach is addressed anyway.

# Sacred Heart School Newsletter

## From the Principal:

If we could all try to just give the same tolerance to others flaws and mistakes as our family and friends do our own flaws and mistakes, this increased compassion would make a marked difference. In our schools, our students continue to generally do a much better job of showing compassion and tolerance in their day to day lives, than the adults (staff and parents) do in their lives. We can learn much from our students. For the month of June we are focusing on 'Being Compassionate' with our students as part of our BeAttitudes focus for each month. It would be great if we as adults had a crack at focusing on this for the next 4 weeks too!

## PRIMARY SCHOOL BASKETBALL TOURNAMENT : POSSIBLE COACHES

The tournament is in October. Our school historically has a large number of students and teams participating. Any parents wanting to help coach one of our many teams will need to have WWCC (Working with Children Check) registration. Information about this has been included in previous newsletters and is part of the newsletter today as well.

## FRIDAY SPORT - THANKS

Thanks to parents who are helping out with 5 / 6 Friday sport either coaching, umpiring or managing teams. Without the parent volunteers we genuinely could not field all the teams that we do each week.

Thanks to parents who have helped out and will help out today in our Cross Country carnivals.

## SCHOOL RE-REGISTRATION

Every school in Tasmania is registered for a period of time - up to 4-5 years. This registration allows the school to be open and continuing operating as a school based on meeting set requirements determined by the School Registration Board (SRB). Schools then have to be re-registered as they approach the end of the previous registration period. Our school is in the middle of preparing for our re-registration in August. There is a huge commitment of time that is needed to prepare the documentation for the panel from the SRB in hardcopy and also in electronic form. A genuine thanks to Mrs. Karen Cettolin and Mrs. Liz Illingworth who are leading the preparation of this task.

## PRINCIPAL WELLBEING

Increasing research paints a bleak picture across the nation and no doubt the world, in terms of wellbeing in the short and long term of people involved in principalship within schools. The demands of the role from within and from outside, still using historic models of leadership that do not necessarily support the needs of our schools and education system in 2015 do place genuine stress on leaders. From Wednesday and for the remainder of next week, Catholic Principals around Tasmania are gathering for a retreat with Fr. Richard Ross, around the importance of our own wellbeing in helping enhance the wellbeing of our school communities.

## From the Principal:

### LEGISLATIVE COUNCIL PASSES AMENDMENT TO TASMANIAN ANTI-DISCRIMINATION ACT

As you may be aware, mid last week, members of the Legislative Council in Tasmania have voted in support of an amendment to the 1998 Anti-Discrimination Act to allow faith-based schools to give preference to families seeking enrolment on the basis of their religious beliefs.

We welcome the move solely in that it will allow Catholic schools greater flexibility and discretion in their admissions process, so that they can make such decisions that preserve the Catholicity of the school community and are in the best interest of families seeking admission.

Though our Catholic schools remain committed to welcoming students from all backgrounds, this amendment will ensure that they are able to give full expression to the beliefs that have made these schools what they are. The amendment will promote diversity and choice within the community and will safeguard a most basic human right, the right to religious freedom.

For Tasmanian Catholic families, the amendment to the Act will provide reassurance that there will be places available in the future to allow their child access to an education in a school environment rich in Catholic tradition, values and beliefs.

## ALL SCHOOLS CROSS COUNTRY

This event is on Wednesday 24th June @ Symmons Plains. If your child is interested in participating please email: [john.anderson@catholic.tas.edu.au](mailto:john.anderson@catholic.tas.edu.au) The school will organise the on-line registrations and cover the cost of the \$12 entry fee. Your child must be born in 2003, 2004, 2005 or 2006 to enter.

### REMINDER : BEFORE SCHOOL EXPECTATIONS

- ❖ Mrs. Deb Scott will be at school from 8:00am each school day for any students arriving before 8.30am
- ❖ Students will continue to go to our Presentation Gym.
- ❖ **If a student is here before 8:20am the cost will be \$2 per child per day, which needs to be paid as the student arrives at the Presentation Gym.**
- ❖ The child's name will also be recorded on an attendance sheet on a daily basis.

### GRADE 5/6 FRIDAY SPORT

We would like parents and students to be supportive of the following points regarding Friday Sport:

1. We have provided students with access to the roster and they can check where their games are each week.
2. Students are expected to remember their shin pads and mouth guards every week. It is part of our focus on being responsible. If they forget, they will be unable to play that day. Gear is not to be dropped off at the office.
3. We depart school no later than 12.45 each week and games begin at 1pm. If parents intend to take their child home from the venue, please write a note to your child's teacher in the diary that morning.

Thanks 5 /6 team

## Pilgrimage Tour of 750 year old relic of St Anthony of Padua

A special mass will be celebrated at the Church of Apostles at noon and 6.30 pm on Wednesday, 17<sup>th</sup> June in celebration for this occasion. All are welcome to attend.

The tour of this Relic is occurring in our Archdiocese from 16<sup>th</sup> to 18<sup>th</sup> June. We may be fortunate to have the Franciscan Priest visit our school and speak about the life of St Anthony.

He is especially invoked and venerated all over the world as the patron saint for the recovery of lost items, and is credited with many miracles involving lost people, lost things and even lost spiritual goods.

### Walk with Christ

Feast of Corpus Christi, Sunday 7th of June, Commencing from St Joseph's Church (Hobart) at 1.15 pm, processing to St Mary's Cathedral, where our prayer intentions will be presented and our veneration concludes (3pm).

Experience our rich Catholic heritage, as we join in solidarity with Catholics from all over the world, and through the ages, in this Walk with Christ.

The Walk with Christ is now in its 10<sup>th</sup> year in Sydney and last year 6000 people turned out in a sense of prayerful solidarity to bring Christ to the world.

## Children's Initiation

Dear Parents,

The Sacraments of Confirmation and First Eucharist will be celebrated in our Parish on the weekend of Sunday 25<sup>th</sup> October. You may be aware that the two Sacraments are now celebrated at the same time. I am writing to invite you to register your child for the Sacraments and inform you that the parent meeting and registration will be held on:

**TUESDAY 9<sup>th</sup> JUNE**

**7:30pm**

**Newstead Church - corner of Abbott and Campbell Sts Newstead  
(next to St Thomas More's School)**

The meeting is for parents, but if you need to bring your children, they are welcome. **If you are unable to make this meeting but want your child to be Confirmed and make their First Eucharist this year, it will be necessary to arrange a meeting on an alternative date** so that you will know what is involved for you and your child. If this is the case, please phone or email me by Tuesday 9<sup>th</sup> June (6344 5714 / [wood1991@bigpond.net.au](mailto:wood1991@bigpond.net.au))

As you are aware, the preparation for Sacraments is now **family centred, parish based and school supported**. Because of the pivotal role that parents play in the preparation of your child for the Sacraments, children will not be able to prepare for the Sacraments if their parent/guardian has not attended the meeting. Godparents / Sponsors are also very welcome.

There is a cost of \$15.00 for the Sacramental preparation. This can be paid at the meeting or sent to the Parish or School office. If this fee causes difficulty, please let me know. Please bring a copy of your child's Baptism certificate to the meeting. If you supplied a copy for Reconciliation last year, you need not worry this time.

I look forward to seeing you at the meeting and starting this special journey for your child, your family, and our whole Parish community.

If you have any concerns or questions, please don't hesitate to contact me or your School's Assistant Principal: Religious Education (APRE); Helen Halley at Sacred Heart, Alice Cannon or Carmen Aylott at St Finn Barr's, and Julie Love and Kurt Atkins at St Thomas More's.

Kind regards,

Jacquie Wood ☺

### Teach road safety from an early age

**Walking and cycling helps children learn how to be safe around roads.**

- Help your child learn about road safety by:
  - Using pedestrian crossings, traffic lights and footpaths.
  - Teaching road and pedestrian rules.
  - Supervising children at pedestrian crossings.
  - Making sure that protective gear such as helmets are worn when riding.
  - Holding hands to cross roads.

## The Commonwealth Bank School Banking program is coming!

The School Banking program includes an exciting Rewards Program designed to encourage children to get into the habit of making regular saving. Every time your child makes a deposit at school they receive a silver coloured Dollarmites token. The first token will be received upon the first deposit at school. Once your child has individually saved 10 tokens they can redeem them for an exclusive Dollarmites reward item. Students will have lots of fun saving their tokens for these cool rewards items.

School Banking is also a great fundraiser for our school. The school receives \$5 when children make their first deposit at school and a commission on every deposit made through the School Banking program.

Taking part in School Banking is easy.

- If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week using their Dollarmites deposit wallet. If your child has misplaced their Dollarmites deposit book or deposit wallet, they can request a new one from either the local branch or contact the School Banking Co-ordinator.

- If your child does not have a Youthsaver account, you can open one at any Commonwealth Bank branch, no forms to fill in! Alternatively, if you are an existing Commonwealth Bank customer with access to NetBank you can apply online. Another option is to download a paper-based application form from [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking), or attend an account opening session at the school.

## STUDENT REPORTS

### The Purpose of Student Reports

Student reports do a lot more than simply inform parents of their child's achievement rating. Student reports also help parents/carers identify weaknesses and target areas for improvement in their child's academic performance, engagement, application, and behaviour. They are useful tools for fostering communication between parents/carers and teachers, and also, between parents/carers and their child.

### Reporting Achievement

In line with Federal Government legislation, Tasmanian Catholic schools report achievement using a five-point rating scale. From years 3-10 the 5-point scale is an A-E rating. Students from Prep to year 2 receive written descriptor rather than the A-E.

It is important to understand that a 'C' is not a disappointing result. A 'C' on the report card indicates that a student's learning is on track and they are achieving the standard that is expected of them at the time of reporting. In the past, a 'C' might have not have been seen as an indication that a student's learning is at a desired level. This is no longer the case.

For some students the A-E rating is not appropriate for reporting achievement and an alternative narrative report is provided. All students receiving narrative reports have an Individual Education Plan (IEP).

### Achievement Standards

It is a federal requirement that student achievement is reported against recognised achievement standards. Achievement standards outline the knowledge, skills and understanding important for students at each year of schooling level Prep to Year 10.

In 2015 all Tasmanian Catholic schools and colleges are required to report student progress against the Australian Curriculum Achievement Standards in English, Mathematics, Science, History, Geography and Health and Physical Education. Achievement in Religious Education is reported against the Tasmanian Catholic Standards for Religious Education.

### Beyond the A-E Grading

While the A-E rating conveys important information about where a child is in their learning at a given moment in time, it does not tell the whole story when it comes to student achievement. The Tasmanian Catholic schools report includes an indication of areas of strength and weakness within each learning area using a continuum of developing, consolidating and extending. The report also includes an indication of student application and attitude to learning. The information included in this section is a critical lens for interpreting the A-E grading.

A student who receives a 'D' for their achievement rating and whose attitude and application is meeting or exceeding expectations may be achieving their full potential and this result is cause for celebration. Alternatively, a student with an 'A' for achievement but, whose attitude and application is not meeting expectations, may not be working to their full potential.

### A Final Thought

Whether a student is working at, above or below the level of their peers is not the most important piece of information. What is important, is that they are making progress towards the identified goals for their learning and that those goals allow them to reach their full learning potential. It is this that deserves celebration and investigation, not 'A-E's.

## WORKING WITH CHILDREN CHECK (WWCC)

In July 2014 Tasmanian State Government legislation for Working with Vulnerable People was enacted and all Schools and Colleges must comply with the new legislation. The purpose of the legislation was to significantly improve the safeguards and child protection processes to help keep children safe from harm.

No volunteer will be able to commence until they have received a satisfactory WWCC. There are no exceptions under any circumstances. If you wish to help in any of the school, classrooms or camps please make sure you complete the WWCC in plenty of time.

**All previous Police Check registrations will be voided as of 30th September 2015 and everyone who volunteers in the school must have a WWCC in place by the 1st October 2015.**

### How to apply for a WWCC and Number

1. Complete the online application form [www.justice.tas.gov.au/working\\_with\\_children](http://www.justice.tas.gov.au/working_with_children)
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity
